

Medical Alley Association Job Board

The Medical Alley job board has long been one of the most popular sections on our website and we've recently made it even better! We've updated it, along with the rest of our site, to make it more user friendly. One thing we did not change is that job postings are still free for Medical Alley Association members.

Now is the perfect time to check out the current postings from our member companies and, if you're a member, to upload your company's job openings.

HOW TO POST A JOB

You can visit the job board at <https://medicalalley.org/job-board/> to see open positions. To post a job, you'll need to be logged in. Here is a quick guide to getting up and running so you can post a job:

1. Visit the job board page at <https://medicalalley.org/job-board/>
2. Click "log in" in the upper right corner
3. Log In (if you don't have an account, click "Create an account")
4. Click "Post a Job"
5. Fill out the Post New Job form
6. Click "Submit Job Posting"

Please note, job postings are reviewed by Medical Alley web staff prior to the posting going live. This process typically occurs within 2-3 business days of submission (often same day). For questions, contact Marketing Manager, Jamie Oyen at joyen@medicalalley.org or Membership Director, Brian Strub at bstrub@medicalalley.org or 952-542-3077.
