We are honored to have this great group of students joining our Viner Scholars family! Each of the 30 new scholars have shown great determination and stood out among the rest of their classmates. We look forward to seeing what all they accomplish as they move into the next chapter of their lives! Check out more photos on our [*Facebook*](#).

Both inductees and previous Viner Scholars got to bond over an informative and inspiring session with Dr. Holland and Peak Performance Coach Mike Rosenfeld. Our new scholars were introduced to their mentors during the Mentor Meet and Greet, where they got to bond with the scholar's family as well.

A special thank you to Dr. Donald Fennoy, the Superintendent of Palm Beach County, for being our key note speaker!

Scholar's Spotlight

Congratulations to Viner Scholar Julie who will be going on a mission's trip to South Africa this summer! Here's what Julie had to say regarding this amazing accomplishment.

"On this mission's trip to South Africa, I, along with 13 others from my church, will be serving and loving the community and children of Thubelisha through

encouraging messages, children conferences, feedings, and Hygiene work shops. We will spend quite some time at our church's carepoint where up to 500 children go to for a meal and school help each day. For some, it's their only meal that day."

"Once I was officially fully funded for my trip, I felt a sense of relief and peace. The fundraising process was an exhausting one but also a growing one. I'm excited to see the genuine joy the children express and learning to be more selfless as they do. I cannot wait to share with you guys how my trip went."

We can't wait to hear about your trip Julie!
