ANNUAL FIRE EQUIPMENT INSPECTION

Date: Friday October 2nd, 2020

Units 1 – 25: 8:00 am – 12:30 pm

Units 26 – 51: 1:00 pm – 4:30 pm

To reduce the risk of transmission of COVID19 we request that residents provide clear and unobstructed access to fire alarm devices in their suites (turn on lights, open doors) to prevent our staff from touching these surfaces

Elite Fire Protection Ltd. will be testing and servicing the sprinkler flow switch and smoke alarms in your home.

Please make every effort to be home at the specified time to allow access to your unit. **An alternative would be to leave a key with a neighbor.**

THIS MANDATORY TEST IS REQUIRED BY BC FIRE CODE AND IS FOR YOUR PROTECTION

Thank you in advance for your cooperation
