Dear Kevin,

Thank you for speaking at the October 9, 2018 Maryland Dietetics in Health Care Communities (MD-DHCC) workshop in Clarksville, Maryland at the Gathering Place.

The MD-DHCC, a practice group of the Academy of Nutrition and Dietetics, holds these workshops to provide Dietitians, Dietetic Technicians and Food Service Directors with educational sessions on a variety of topics dealing with nutrition and food service. Your presentation entitled "Everyone Communicates, Few Connect" was interesting and relevant to the practice of our group.

Again, thank you very much for your time and participation in our event. It was greatly appreciated.

Sincerely,

A handwritten signature in blue ink that reads "LaTanya Clark MS, RD, LDN".
