Temple Preschool Registration Information **2021-2022 School Year**

This packet includes information that may help during registration time as well as forms for registration. If you have any questions, please feel free to call the office during the morning hours @ (812) 299-3336 or the director's cell @ (812) 236-6951.

Students who are currently enrolled at TPS and their siblings will be able to register on MONDAY, FEBRUARY 22nd and anytime thereafter. Please hand your registration form and registration payment; including \$8 for a TPS tote bag (returning students may choose to use last year's bag) to us as you drop your child off for school. We will collect the registration envelopes in the order in which we receive them. If your child does not attend school on Mondays, you may join our Monday drop-off or pick-up line in order to hand us your envelope. If you need to drop off your form at another time, just ring the door bell beside the preschool office and we can get it from you. If you need to drop it off after hours you can take it to the church office and put it in the TPS mailbox. BE PROMPT classes may fill quickly.

New students will be able to register the following week; beginning Monday, March 1st. Please share this date with any new family who may be interested in registering. Forms are available in the office and we can send home extras if you would like to pass them along to families you know.

To register: Please complete BOTH sides of the registration form and enclose it in the provided envelope along with your registration payment (checks made out to Temple Preschool). If you need to order a new tote bag (see registration sheet) please include that \$8 payment in your total as well.

Registration / Tuition / Class Information

When enrolling your child for preschool classes, your child's age on **August 1, 2021** will determine which class he/she will be in. The class you choose will have equal monthly tuition charges no matter the number of class sessions within the month. Holidays often effect the schedule. The cost is prorated to make all nine tuition payments even.

A **one-time** registration fee (which includes registration, supply, and insurance fees) is due with your registration (checks made out to Temple Preschool). The registration totals are listed below with the information for each class.

The fee (minus fifty dollars) is refundable if you withdrawal by August 1, 2021.

At TPS we all use a tote bag to avoid all of the many zippers and pockets that come with backpacks! Please mark on the registration form whether or not you need a new tote bag. If you do, please include the \$8 with your payment.

All Classes include Music Class with some Spanish exposure, and a weekly Bible Story with Mrs. Nees. There will be prayer before eating.

Classes also typically visit once each month with the pastor for Time with Pastor.
