Thanks to community partner, Spirit of Giving, our scholars were able to get school supplies for the year, at no charge. Wishing all 104 of our scholars luck as they begin the Fall 2018 semester!

We wrapped up the summer with a Viner Scholars Social event! We had such a great time getting to know the amazing, young people that make our scholarship so great.

**We've got some new community partners!**

We're excited to announce that we've partnered with Vitality Spine and Wellness, another generous company to further grow our program and help our students!

We are excited to partner with A Squared Consulting Services, Inc. to bring our mentors and students additional training on some key issues students are facing.
