## Scholar's Spotlight: Julie Ferreira

Over the summer Viner Scholar, Julie Ferreira went on a mission trip to South Africa with her church. "Experiencing Africa and the communities that live there was a life altering experience. There's not a single moment that I favor as they were all precious," she said. One of the most unforgettable moments for Julie was bonding with the youngest boy at the care point she spent time at daily. Initially, he was very shy but after some time he and Julie grew a bond. "The love and true joy the people of South Africa have and shared with us was like no other. Being able to go across the world and serve the children and volunteer taught me to value what I have and to learn to find joy in every situation," Julie said. She hopes to return

to South Africa again and reunite with the beautiful people there.
