

12 Ways to Improve the Quality of Life in New Orleans

1. Do not litter. (Section 138)
2. Do not place signs illegally on public right of ways, such as neutral grounds or the area between the sidewalk and the curb (Section 134)
3. Properly contain solid waste for collection and remove empty carts from curbs. (Section 138)
4. Call your solid waste collection contractor in advance to schedule the pick-up of bulky waste such as appliances, furniture, carpet (rolled and tied in less than 4' lengths), more than 6 bundles of tree branches (cut in less than 4' lengths) and up to 4 tires. Businesses are not eligible for bulky waste collection. (Section 138)
5. If a business generates more than 96 gallons of solid waste at each routine collection (the limit is 35 gallons in the FQ/DDD) or if the property is used as a restaurant, bar or hotel or if the property has more than 4 units, private arrangements are required for the removal of solid waste. (Section 138)
6. If rebuilding, renovating or clearing property, arrangements must be made to obtain private disposal (Section 138)
7. Ensure that all permanent dumpsters are screened from public view. (Section 26-447)
8. Cut your grass and remove litter, grass cuttings, and leaves from the property, extending 1-1/2 ft from the curb. Do not sweep, blow or pour items into storm drains. Contents flow to the lake. Pontchartrain. (Sections 66-287, 313, 314)
9. Do not keep more than 20 tires on your property unless you are specifically permitted. (Chapter 105 - State Regulatory Code)
10. If you are hauling garbage, trash or other loose items in vehicles, securely cover the contents. (Section 138-105)
11. Do not place Household Hazardous Waste in your regular garbage nor should such items be dumped into drain systems (Sections 66, 138)
12. Reduce, Reuse, Educate and Recycle

Fines for violating City Codes range from \$150 to \$5,000 and may include Community Service or imprisonment.
