**Special stitch** - linked double crochet - ldc

*This stitch may be used in any cap pattern.*

Do NOT wrap yarn to begin ldc stitch as you would for a normal dc stitch.

**Beginning ldc (first stitch only!)** ch 3, insert hook in middle chain of ch 3, wrap yarn, bring loop through. Insert hook in ring bring up loop, wrap yarn, bring through two loops, wrap yarn and bring through last two loops. Stitch completed.

**All other ldc:** insert your hook, top to bottom, under the horizontal bar of the stitch you just worked. (This loop runs parallel to the front loop at the top and is midway in the stitch.) yo and pull up a loop. Insert your hook in the next st, yo and pull up a loop. You now have three loops on your hook, work them off as for a normal double crochet.
