

WORKSHOP MEETING
BOARD OF COMMISSIONERS
TOWN OF REDINGTON SHORES
WEDNESDAY, SEPTEMBER 26, 2018 – 6:00 P.M.
MINUTES

PRESENT UPON ROLL CALL: Mayor Henderson, Vice Mayor Kapper, Commissioner Neal, Commissioner Robinson

OLD BUSINESS

Discussion – Purchase of LED Sign

Commissioner Robinson proposed the LED sign to be placed in front of Town Hall to follow the design of Treasure Island (Redington Shores Town Hall at the top), but to sit on one pedestal like the one at Indian Shores. The size of the sign would be 3x8 and is less obtrusive so as not to look too “Vegas like”. Consensus of the commission is to have it go out for bid.

Discussion – Code Enforcement Services

Commissioner Neal introduced CPT Leiner from the Pinellas County Sheriff’s Office. CPT Leiner stated the contract for Code Enforcement will be submitted by the end of the week. If approved by the commission on October 10th, Code Enforcement will begin on October 14, 2018.

Discussion – No Wake Zone – In Cove by Seabreeze Restaurant

Commissioner Robinson stated after hearing from many residents on both sides of the issue, and taking the emotion out, making a decision solely on the facts, there is no evidence to support a No Wake Zone in the cove by the Seabreeze Restaurant. Studies will not be done again in Pinellas County for some time. Consensus from the commission is this is a dead issue and is off the table.

Discussion – EMS/Fire Service Building

Mayor Henderson discussed the building of the multi-use facility to be utilized by the 3 Redingtons. The county has requested the towns have “skin in the game” by paying \$400,000 in support of the building. The amount would be divided by the 3 Redingtons. Redington Shores would be responsible for 35% or \$125,000, which can be paid over 5 years at \$25,000 per year. Mayor Henderson stated penny money can cover the cost. The commission consensus was absolutely, because of the increase in response time to emergency calls, there should not be a price placed on saving a life.
