

Gianna's Ankle Boot Cuffs

Skill Level: Moderate

Materials: Measuring tape, yarn needle, scissors, buttons

Yarn: 1 skein of Vanna's Choice Lion Brand yarn in Aquamarine

Substitutions: any worsted weight or 4 ply yarn

Note: only about 1/2 of the skein will be used

Gauge: boot cuff length is 7"

Hook Size: H

Size:

Child Ankle: 7" before stretch

Measure just above boot for circumference. Subtract .5" for width of cuff.

Abbreviations and Stitches:

ch - chain

sc - single crochet

sk - skip

vs - V-stitch here is dc, ch 1, dc in one st

mss - modified star stitch - I like the [moogly tutorial](#), but I ended up only adding one stitch to the side of the previous star stitch instead of 3.

This one stitch is the same as the 2nd she makes on the video (I just skipped the 1st and 3rd completely). Hopefully I'll make a video for that one day. If you know what this modified version is called (if it exists), let me know!

Ro: ch 30, turn

R1: beginning in 2nd ch from hook, sc across, turn (29)

R2: ch 1, mss across, sc in last st, turn (14 star stitches + 1 sc)

R3: ch 1, sc across, turn

R4: repeat row 2

R5: sc across, turn

R6: ch 3, dc same st, sk 2, *vs in same st, sk 2*
across, dc in last st, turn, ch 3

R7 - R9: repeat row 6

R10 - R12: repeat R3 - R5

Fasten off

Button Holes: attach to opposite end of
foundation chain. sc, *ch 3, sc 3* 4 times, ch 3,
sc, fasten off

Buttons: I attached 3 buttons on each cuff, but you could attach up to 5 with the amount of button holes.
