## Our Mission

Through collective philanthropy, the Fund for Women invests and advocates by bringing together our knowledge, passion, and commitment to empower women and girls in Delaware to achieve their potential.

## Our Vision

All women and girls in Delaware are empowered\* to achieve their potential.\*\*

\*Empowered—made stronger and more confident, especially in controlling their life and claiming their rights.

\*\*Potential—latent qualities or abilities that may be developed and lead to future success.

## Our Story

In 1993, sixteen visionary women philanthropists were concerned about a lack of support for women and girls in poverty in Delaware. They researched the status of women and children in poverty and learned that services were limited and underfunded. The group proceeded to gather a core of women Founders and created the Fund for Women at the Delaware Community Foundation. The group's initial goal was 1,000 women contributing \$1,000 each to establish a \$1 million endowment. Their goal was reached in 2010 and now the Fund for Women (FFW) has far surpassed their goal with an endowment of over \$3.6 million and over 2,020 "Founders."

*Swingin' With a Star* (1993–2012), a local women's golf tournament, made the Fund for Women a beneficiary of their annual fundraiser. Their contributions added over \$1 million to the endowment fund.

The first grants, totaling \$2,500, were distributed in 1994 to two organizations: Girls, Inc., and the University of Delaware. To date, we have distributed over \$2,870,000.

As the FFW grew, the organization actively worked to establish committees in each of the three Delaware counties to ensure that the FFW reaches women statewide in both Founders and grant recipients. Each county maintains a development committee responsible for growing the Founder base in their area.

## About the Fund

Those who have been fortunate in their lives and livelihoods are helping women and girls overcome the many barriers that may stand in their way to success. Through the power of collective giving, our unique network aims to improve the potential of women and girls in Delaware by funding critical projects that meet their needs – from housing to health care, from career training to emergency food programs.

The Fund for Women is an endowment held at the Delaware Community Foundation. The interest from this endowment is given in grants to women's and girls' programs in Delaware each year.

While we are proud of the many ways in which we have supported women and girls in Delaware for more than 25 years, the need remains strong. We can only fund about 15% of the grant requests each year. With your help, we can do more!

## Fund for Women Grants

In 2019, twelve (12) nonprofit agencies in all three Delaware counties received a total of \$168,595 for projects that help women and girls avoid abuse and poverty, improve their physical and mental health, gain financial independence, and address many other social issues. Please see page 8/9 for our 2019 grantees or visit our website to see our most recent grantees ([www.delcf.org/ffw](http://www.delcf.org/ffw)).

Since 1993, the Fund has awarded more than \$2.870 million in grants to hundreds of nonprofit programs statewide. Grant applications are due in January, and the awards are announced in May. The application is available online beginning in December each year.

## 25th Anniversary 3-year Collaborative Grant

In 2018, the Fund for Women established a 3-year collaborative grant. This initiative is a collaboration of nonprofit organizations who support girls' successful achievement through high school graduation and offers preparations for the future.

The first \$25,000 Grant was to "*Empower Young Women for Success After High School*". Now in its second year, The FFW has designated \$25,000 in support of Delaware Girls Circles Initiative.

## Join us...

We are thankful for the many Founders listed in this brochure who have joined us to help empower women and girls in Delaware.

We are proud of all that the Fund for Women has accomplished; however, the need remains strong – in fact, last year we received over 90 applications for grants totalling \$1 million. And even with our growth, we could only fund a small percentage of them. Please consider becoming a Fund for Women Founder or making someone a Founder. Together we will make a strong impact in the lives of women and girls in Delaware!

## Thank you for Remembering the FFW in Your Estate Plans

The FFW is the perfect way to keep your commitment to others after your death.  
Please consider us in your will.
