

## X-Ray Associates

Radiology group on the east side of Michigan is recruiting for a full time BC/BE radiologist for a target date of July, 2020. Ideal candidate would not only be proficient in general radiology including MRI, CT, nuclear medicine and mammography but also fellowship trained in either Neuro or MR Imaging or possess IR skills.

The group services four area hospitals with PACS systems in place at all locations, including voice recognition dictation systems. Overnight teleradiology coverage is utilized.

This is a long standing private radiology group with competitive compensation and benefit package, including partnership track, serving in a wonderful part of Michigan.

Port Huron, Michigan (located 55 miles northeast of Detroit) is a community known as the Blue Water Area ([www.bluewater.org](http://www.bluewater.org)) and the city offers an array of seasonal activities.

To apply for the position, interested parties should send CV to Dr. Leopold Fregoli at [alzaco@comcast.net](mailto:alzaco@comcast.net) or fax to 770-666-9435.
