

## IMMEDIATE OPENING FOR MOTIVATED RADIOLOGIST

Collegial group of well trained radiologists in Southeast Michigan is looking for like minded radiologist to join an expanding practice. Currently serving two hospitals, one an ATS accredited level II trauma center.

We are seeking a diagnostic radiologist with diverse skill set, proficient in most imaging modalities including radiography, CT, MRI, US and NM. MQSA certification a plus. Subspecialty fellowship training desirable, but not required. IR optional. ABR or AOBR certification or eligibility required.

Weekend and evening responsibilities are shared equally by our diagnostic group. Internal moonlighting opportunities available. Night service covers practice after hours.

Partnership track position with excellent benefits including pension plan, medical, and malpractice coverage.

Serious applicants should apply by sending resume to [djelsky@drcrads.com](mailto:djelsky@drcrads.com)
