**Thursday, May 20, 2021**

 **Ascension**  
**St. John Hospital**

# Update in Radiology

## Course overview

The course will provide primary care physicians and other health care providers with an update in radiology.

## Program objectives

- Review artificial intelligence in radiology
- Cover screen detected lung cancers
- Discuss current prostate MRI techniques
- Overview of pediatric GI emergency
- Overview of emergency radiology of the head and neck
- Learn the imaging of COVID pneumonia from acute to chronic lung disease
- Cover stroke update
- Review vascular malformation imperforate rectum

## Disclosure

Consistent with the ACCME Standards of Commercial Support, speakers for the conference are expected to disclose to you at the beginning of their presentation(s), whether or not they have any economic or other personal interests that create, or may be perceived as creating, a conflict related to the material discussed. This policy is intended to make you aware of speaker's interests, so you may form your own judgments about such material.

## Course directors

### Rojan Samudrala, MD, FACR

Division Director of Pediatric Imaging  
Ascension St. John Hospital  
Clinical Associate Professor of Radiology  
WSU School of Medicine  
Detroit, Michigan

### Anthony Alcantara, MD, FACR

Chairman of Radiology  
Ascension St. John Hospital  
Clinical Associate Professor of Radiology  
WSU School of Medicine  
Detroit, Michigan

### Anthony Hamame, MD

Division Head Breast Imaging  
Ascension St. John Hospital  
Detroit, Michigan

### Onowenerhi Omene, MD

Division Head MSK  
Ascension St. John Hospital  
Detroit, Michigan

## Faculty

### Aparna Joshi, MD

Assistant Professor  
Department of Radiology  
Pediatric Radiology Section  
C.S. Mott Children's Hospital  
University of Michigan  
Ann Arbor, Michigan
