

IT Consultant Positions

[Alternative Solutions, Inc.](#) is currently seeking experienced candidates for full-time IT Consultant positions in our Sheboygan Falls office. In this position, you will be collaborating with ASI team members and customer team members to provide technology solutions. Daily tasks include, but are not limited to, developing new software, supporting existing applications, and providing exceptional service to foster long-term customer relationships. Please note - this position requires working onsite in our Sheboygan Falls office. Limited business travel may also be necessary.

The IT Consultant will have the following responsibilities:

- Analyze customer business processes, software systems, and database structures
- Work with customers and senior consultants to ensure business and technology requirements are understood
- Design and configure technology solutions based on customer requirements under the guidance and oversight of senior consultants
- Provide ongoing support for technology solutions ensuring overall customer satisfaction
- Communicate work plans, status updates, and issues to customers and ASI management team
- Work in a collaborative environment, both with ASI team members and customer team members
- Maintain, develop, and complete technical documentation as required
- Provide training and assistance to customer staff and end users as needed
- Bridge the gap between management, project stakeholders, IT staff, and end users

The ideal candidate will have the following qualifications:

- 3-5 Years of experience in an IT related field is required
- Property and Casualty insurance software and/or consulting experience is highly desired
- A solid understanding of object-oriented programming and design principles
- A keen eye for identifying and resolving technical problems and a desire to work directly with end users
- Excellent written and oral communication skills
- Ability to prioritize, manage, and balance multiple projects and tasks
- Ability to work effectively on a team as well as independently

ASI offers the following comprehensive benefits:

- Medical, Dental & Vision
- Company paid life and disability
- 401(k) with company matching and profit sharing
- Paid holidays and vacations
- Flexible work schedule
- Continuing education reimbursement
- Payroll direct deposit
- Fitness facility
- Business casual work environment

If you desire to make a difference and expand your career, we want to hear from you!
