

Software Developer Positions

[Alternative Solutions, Inc.](#) is currently seeking entry level and experienced candidates for full-time software developer positions in our Sheboygan Falls office. In this position, you will be involved with developing, testing, and supporting our customers' insurance applications using a variety of languages and frameworks, primarily in the Microsoft technology stack. Daily tasks include, but are not limited to, developing new software, supporting existing applications, providing exceptional service to foster long-term customer relationships, and working effectively within a team and/or independent setting. Please note - this position requires working onsite in our Sheboygan Falls office. Limited business travel may also be necessary.

The ideal candidate will have the following skills and experience:

- A solid understanding of object-oriented programming and design principles
- Experience in the Microsoft technology stack preferred, including TFS and DevOps
- Understanding of the .Net Framework (3.5 and higher)
- Proficient in VB.NET, JavaScript, HTML, CSS; C# and/or MVC experience is a plus
- Proficient in SQL Server 2008 and above, including T-SQL, stored procedures, DTS and SSIS packages; Oracle experience is a plus
- Experience with SOAP and Restful Web Services
- Project life cycle experience in both Waterfall and Agile development practices
- Experience with native mobile application development in JAVA and/or Objective-C is a plus
- A keen eye for identifying and resolving technical problems and a desire to work directly with end users
- Effective oral and written communication, as well as organizational skills
- Ability to prioritize, manage and balance multiple projects and tasks
- Experience mentoring junior developers is a plus
- Property and Casualty insurance software and/or consulting experience is highly desired

ASI offers the following comprehensive benefits:

- Medical, Dental & Vision
- Company paid life and disability
- 401(k) with company matching and profit sharing
- Paid holidays and vacations
- Flexible work schedule
- Continuing education reimbursement
- Payroll direct deposit
- Fitness facility
- Business casual work environment

If you desire to make a difference and expand your career, we want to hear from you!
