b) One space on each Front Door of the vehicle (67cm x 25cm) situated below the side race numbers. A further bulletin will determine the brands.
8.4 Flag signals, track behaviour
8.4.1 The following flag signals may be used during practice and the race, and must be strictly observed:

<table>
<thead>
<tr>
<th>Flag Signal</th>
<th>Action</th>
</tr>
</thead>
<tbody>
<tr>
<td>Red flag:</td>
<td>Stop immediately and definitively.</td>
</tr>
<tr>
<td>Black and white chequered flag:</td>
<td>End of the heat (finish line).</td>
</tr>
</tbody>
</table>

The Chequered flag will be applicable at the end of the heats (finish line).

8.4.2 It is strictly forbidden to drive a vehicle across or in the opposite direction to the direction of the race, unless instructed to do so by the track marshals or the clerk of the course. Any breach of this regulation shall result in immediate exclusion pronounced by the Stewards, with the possible addition of other sanctions and the transmission of the case to the ASN concerned.

8.4.3 If a driver is obliged to stop his heat owing to mechanical failure or other problems, he must immediately park his vehicle away from the track and leave it, and obey any instructions given by the track marshals.

9 – ADMINISTRATIVE CHECKS AND SCRUTINEERING

9.1 Administrative checks
9.1.1 The administrative checks will take place according to a separate timetable given later in a bulletin and posted on the official notice board at the Automobile Touring Club of Lebanon – Jounieh, Lebanon.

9.1.2 All competitors and drivers taking part in the Hill Climb must report for administrative checks in person with their cars in their precise scheduled time as shown on the list displayed on notice board, failing to do so, a penalty will be imposed as per article 14.1.3.

9.1.3 The administrative checks will consist of checking the following documents:
   a) Control of the entrants’, competitors’ and drivers’ competition and road licences and its validity for the current year.
   b) Control of the registration and the characteristic data of the car (brand, model, category, group, engine capacity, etc…).
   c) For eligible cars in compliance with Article 3.1.a of these regulations, control of the homologation papers, technical passport (if any), etc…
   d) Insurance policy covering the competing vehicle.
   e) Foreign entrants must also present written authorisation from their ASN, if this was not enclosed with their entry.

Entrants are obliged to be present for the administrative checks so that identification and administrative checking can be carried out. Those who have passed the administrative checks and having received the approval signed by the officials can present their car to scrutineering in accordance with the published timetable as shown on the official notice board.
9.2. Scrutineering

9.2.1 The scrutineering will take place according to a separate timetable given later in a bulletin and posted on the official notice board at the Automobile Touring Club of Lebanon – Jounieh, Lebanon.

9.2.2 Entrants are obliged to accompany their vehicle at scrutineering, so that identification and safety checks can be carried out.

9.2.3 The complete original FIA homologation form for all homologated vehicles must be presented in addition to the authentic roll cage certificate. Otherwise, scrutineering will be refused. For Group SM cars, a roll cage certificate must be presented, no homologation forms are needed.

9.2.4 Entrants reporting for scrutineering after their scheduled time shall be liable to a penalty which may go as far as exclusion, at the stewards’ discretion. However, the stewards may decide to allow the vehicle to a postponed scrutineering if the competitor/driver can prove that their late arrival was due to force majeure.

9.2.5 Scrutineering does not constitute confirmation that the vehicle complies with the regulations in force.

9.2.6 After scrutineering has been completed, both the “List of Entrants Authorised to Take the Start” and the “Start List” shall be published and posted by the Organiser on the official notice board at The Automobile and Touring Club of Lebanon - Jounieh; Lebanon.

9.2.7 Cars must be presented to the scrutineers with the competition numbers; (refer to article 8.3.2.f here above).

10 – RUNNING OF THE COMPETITION

10.1 Start, finish, timekeeping

10.1.1 The start will take place individually for each driver with the vehicle stationary and the engine running. The minimal interval between the starts will be max 2 minutes. The stewards of the meeting and the clerk of the course are free to modify the starting order according to the circumstances.

10.1.2 Start order should be by Classes and in an ascending method; i.e. RC1, SM1, RC2, SM2…. and so on. No vehicle may take the start outside its own class unless expressly authorised to do so by the Stewards.

10.1.3 The start interval will be max 2 minutes (2 min.) for each car and for all competitors.

10.1.4 The start of the heats will be carried out by an electronic countdown system, placed on the left hand side of the road, between 2 and 5 meters ahead of the starting line, counting down by seconds and clearly visible to the driver from the start position; refer to Appendix 3 hereafter. Should the above starting light panel fail to function the start, the start marshal will count down aloud: 30" - 15" - 10" and the last five seconds one by one. When the last 5 seconds have elapsed, the starting signal shall be given. The electronic start procedure is coupled to an electronic jump start detection system. This system is electronically coupled to a start line detection device that records any situation where a car leaves the start line ahead of the correct signal (false start). A false start will incur a penalty of 5 seconds pronounced by the clerk of the course.

10.1.5 Any refusal or the delay of 20 seconds in taking the start shall result in exclusion.
10.1.6 Any vehicle which has triggered the timing apparatus shall be considered as having started, and shall not be granted a second start.

10.1.7 The finish shall be a flying finish. The heat ends when the vehicle crosses the finish line; as soon as this is done, the driver must reduce the vehicle speed drastically. At the end of each heat, the competitor has to present his/her vehicle into the Parc Fermé within the time allowed given by the marshals and previously agreed upon in the compulsory briefing before the start of the event. The Competitor will follow the organizer’s instructions in order to start another heat. Competitors reporting late to the Parc Fermé will be penalized 10. - U.S. $ per minute to maximum of 15 minutes. Thereafter, they will result in exclusion pronounced by the Stewards of the Meeting.

10.1.8 Timing shall be carried out using photocells accurate to at least 1/100 of a second.

10.2 Practice

Practice session is set to One Day, in which each competitor has the right to run ONLY three heats (3) and shall take place in accordance with the detailed timetable drawn up by the organiser (Chapter I - General Programme of the Event).

It is strictly forbidden to practice outside the times scheduled by the Organiser. Any breach of this rule will be submitted to the Stewards and will result in a penalty, which may go as far as exclusion, at the discretion of the Stewards (Article 12.2 of the Code).

It is mandatory for all competitors to run their practice according to the following:

1- using the entered vehicle

2- Wearing complete FIA drivers’ equipment complying with Appendix L of the 2020 International Sporting Code.

3- The presence of a passenger in the vehicle during practice is PROHIBITED, and will result in immediate exclusion from the event.

10.3 The race

10.3.1 The heats of the race shall take place in accordance with the detailed timetable drawn up by the Organiser (General Programme of the Event).

10.3.2 The Lebanese Hill Climb Championship – 2020 shall be run over three (3) events of three (3) heats each.

10.3.3 The clerk of the course based on the decision of the stewards of the meeting may authorise the drivers whom are stopped on the course due to unknown problems to take another start on the next heat. No complaint will be admitted on this subject. All drivers during the heats should abide by the decisions taken by the clerk of the course. Any breach of the rules reported to the clerk of the course and upon the decision of the stewards of the meeting could result in the competitor being excluded from the event.

10.3.4 A general briefing will be held as previously scheduled in bulletins. The presence of all drivers is compulsory. During the briefing the competitors will receive the latest instructions concerning the event.
10.3.5 Tyre pre – Heating:

Tires can be pre-heated by the use of tire blankets in the holding area before the start line under the supervision of scrutineers. Any other form of pre-heating of the tires before the start is prohibited and shall result in sanctions that may go to exclusion.

Any competitor found in breach of this rule will be reported to the stewards, and may result in a penalty, at their discretion (Article 12.2 of the Code), which may go as far as exclusion.

10.3.6 Each competitor should finish his heat within 10 minutes otherwise he is disqualified from the intended heat.

10.4 Outside assistance

10.4.1 Any outside assistance shall result in exclusion.

10.4.2 Vehicles which have broken down along the route may only be towed away by order of the clerk of the course.

10.5 The tyres used on homologated cars that are in accordance with Article 4.2 of the 2020 FIA Regional Rally Sporting Regulations, must comply with Article 60 of the same Sporting Regulations and read in conjunction with Appendix V, Article A - Tarmac Tyre Regulations. The list of eligible asphalt tyres for FIA rallies, which are the only tyres allowed, can be found on the FIA website under the following link: http://www.fia.com/regulation/category/117

APPENDIX 2:

EXTRACTS FROM FIA APPENDIX L

1. Helmets
All drivers must wear crash helmets which meet one of the standards listed in FIA Technical List N° 25.

2. Flame-resistant clothing
All drivers must wear overalls as well as gloves, long underwear, a balaclava, socks and shoes homologated to the FIA 8856-2000 standard (Technical List N°27).
Users must ensure that garments are not too tight, as this reduces the level of protection.
Embroidery sewn directly onto the overalls shall be stitched onto the outermost layer only, for better heat insulation. Backing material of badges and thread used for affixing them to the overalls must be flameproof.

3. Frontal Head Restraint (FHR)
The wearing of any device intended to protect the head or neck and attached to the helmet is prohibited, unless the device has been homologated according to the FIA 8858 standard. Homologated FHR systems are listed in the FIA Technical List N° 29.
FHR systems must be worn only with FIA-approved items according to the following chart:
