

The attached list is intended as a marketing guide for woodland owners. While effort has been made to include all know buyers of timber in the Spartanburg Area, some ommissions may have occurred. Inclusions in the listing DO NOT constitute an endorsement of any particular Buyer and ommissions are unintentional. Corrections, additions, or deletions should be sent to: SC Forestry Commission; Spartanburg Area Office; 725 Hwy. 56 South; Spartanburg, SC; 29302. Phone # (864) 583-3438.

South Carolina law does not require buyers of timber to be registered. However, if timber buyers also offer forest management advise (such as reforestation, cultural practices, thinning and harvesting methods, insect and disease control, etc) they must be a SC Registered Forester or operating under the direct supervision of a SC Registered Forester.
