

THE WALLS

2017 STANLEY GROOVY

Behind the Name

Who is Stanley Groovy? Some describe him as a delightful, yet regular looking guy. Others portray him as more complex than he lets on, with a hidden “groovy” mentality on the inside.

These are apt descriptors for our mascot here at The Walls, but also describe the wine we named after him.

This blend of intriguing red Iberian varietals from Red Mountain, is named Stanley Groovy because just like Stanley, this wine has a groovy way about it, so “groovy” you will never confuse it with any other wine.

Production Notes

Aged in 38% new oak, 72% neutral, 48% large format barrels

Fermented in 48% concrete tank, 52% stainless steel tanks

Tasting Notes

An expressive nose of red fruit, tobacco and anise seed leads to flavors of black raspberry, cranberry, orange oil and cinnamon.

This blend has a nicely integrated acidity and a long finish.

Pairing Notes

We recommend pairing this wine with Italian sausage pizza, pasta with red sauce.
