2016 INSIDERS PINOT NOIR

Behind the Name

The 2016 Insiders Pinot Noir is from White Salmon Vineyard in the Columbia Gorge AVA. This Pinot Noir comes from the western-most rows of the high sloping “Powerblock” in White Salmon Vineyard.

We made just 100 cases of this wine to share with our Insiders as a special release. White Salmon Vineyard, in the Columbia Gorge, has temperatures that are a bit cooler than the Walla Walla Valley; the Columbia River provides perfect temperatures for producing wines of extraordinary elegance. It is wonderful terroir for chardonnay and pinot noir, and the fruit is allowed to ripen slowly.

This wine shows its sense of place, with beautiful texture and aromatics. We made only one vintage of this special bottling, and we present it exclusively to you, our “Insiders,” in gratitude for your loyalty and support.
