The Greatness of Our God

Give me eyes to see more of who You are
May what I behold still my anxious heart
Take what I have known and break it all apart
You my God are greater still

And no sky contains
No doubt restrains all You are
The greatness of our God
I spend my life to know
And I'm far from close to all You are
The greatness of our God

Give me grace to see beyond this moment here
To believe that there is nothing left to fear
And that You alone are high above it all
You my God are greater still

And there is nothing that could ever separate us
There is nothing that could ever separate us
From Your love
No life no death of this I am convinced
That You my God are greater still
(REPEAT)

And no words could say
Or song convey all You are
The greatness of our God
I spend my life to know
And I'm far from close to all You are
The greatness of our God

And no sky contains
No doubt restrains all You are
The greatness of our God
I spend my life to know
And I'm far from close to all You are
The greatness of our God
All You are the greatness of our God

What a Beautiful Name

You were the Word at the beginning
One with God the Lord Most High
Your hidden glory in creation
Now revealed in you our Christ

What a beautiful Name it is, what a beautiful Name it is
The Name of Jesus Christ my King
What a beautiful Name it is, nothing compares to this
What a beautiful Name it is, the Name of Jesus

You didn't want heaven without us
So Jesus You brought heaven down
My sin was great your love was greater
What could separate us now

What a wonderful Name it is, what a wonderful Name it is
The Name of Jesus Christ my King
What a wonderful Name it is, nothing compares to this
What a wonderful Name it is, The Name of Jesus
What a wonderful Name it is, The Name of Jesus

Death could not hold you, the veil tore before You
You silence the boast of sin and grave
The heavens are roaring, the praise of your glory
For you are raised to life again

You have no rival, you have no equal
Now and forever God You reign
Yours is the kingdom, yours is the glory
Yours is the Name above all names

What a powerful Name it is, what a powerful Name it is
The Name of Jesus Christ my King
What a powerful Name it is
Nothing can stand against what a powerful Name it is
The Name of Jesus

What a powerful Name it is, The Name of Jesus
What a powerful Name it is, The Name of Jesus

God of This City

(See next page)

God of This City

You're the God of this city
You're the King of these people
You're the Lord of this nation
You are
You're the light in this darkness
You're the hope to the hopeless
You're the peace to the restless
You are

There is no one like our God
There is no one like You God

Greater things have yet to come
And greater things have still to be done
In this city
Greater things have yet to come
And greater things have still to be done here

You're the Lord of creation
The Creator of all things
You're the King above all kings
You are
You're the strength in the weakness
You're the love to the broken
You're the joy in the sadness
You are

(continued...)

Greater things have yet to come

And greater things have still to be done
In this city
Where glory shines from hearts alive
With praise for You and love for You
In this city
Greater things have yet to come
And greater things have still to be done
In this city
Greater things have yet to come
And greater things have still to be done here

There is no one like our God
There is no one like our God
There is no one like You God
There is no one like You God
