

Reopening Indoors

The time has come to reopen for indoor worship.

Throughout this pandemic, there have been countless guidelines from numerous sources about the best practices to reopen. As your pastor, it would be impossible for me to pick a path that would appease every guideline. So, let me clearly state that **if you are uncomfortable being in an indoor social setting, please continue to worship with us online.**

I encourage you to listen to the voice of Jesus who knows us and leads us as you make your decision about whether or not to return to indoor worship. I will trust each of you to do what's best for you and your family and we will try our best to provide a safe setting for worship.

With that in mind, if you choose to attend worship with us this Sunday, we ask you to follow the guidelines outlined below. We will see some of you this Sunday and enjoy sharing with the rest of you online.

Pastor Rick

Traditional Service will be at 9 AM in the sanctuary.

Contemporary Service will be at 10:30 AM in the fellowship center.

Children are welcome in worship, but Sunday School will NOT be held on site.

The nursery will remain closed until further notice.

Worship Guidelines

- Please wear a face covering when entering, leaving and walking around the building. Like restaurants, you may remove the mask when seated. If you plan to sing during the service, we kindly ask for the mask to be worn.
- Please allow a greeter to check your temperature upon entry.
- If you want to be notified of any positive cases connected with the church, there will be an optional sign-in asking for your name and phone number. An all-church email would be sent, this is just for direct contact.
- In the traditional service, please allow an usher to direct you to an open pew.
- In the contemporary service, please select a chair(s) for your family unit and find a place at least 6 feet from anyone else.
- Please continue to do your best to maintain 6 feet distance throughout the building at all times.
