About Dancing with Langston

Carrie, a business manager who always wanted to be a dancer, has two commitments today. She made a promise to her late father to move Cousin Ella, a former Paris café dancer, from her condemned Harlem apartment to a safe place. She's also committed to catch a flight to Seattle with her husband for his new job. But Cousin Ella resists leaving the apartment where she's had salons with Langston Hughes. She also has a mysterious gift that she wants Carrie to earn. If she does, a revelation about Carrie's father and his cousin Langston Hughes will change her life.

Dancing with Langston has been chosen as an Adult Multicultural Fiction finalist in Foreword Reviews' 2019 Foreword INDIES Book of the Year Awards.
