Conway Bookcase Project Committee

Gratefully Presents this

CERTIFICATE of APPRECIATION

To

For your invaluable help in making the Bookcase for Every Child project a true success story. It is because of selfless individuals like you who build bookcases, donate books, sort and classify them, read to children and countless other ways, that we can offer hope and opportunity to children in deprived and low income families. Working to help these children to have a brighter future gives all of us a sense of purpose and a sense of community. Thank You!!
