STOW-MUNROE FALLS BAND HANDBOOK

BAND LEADERSHIP & ORGANIZATION

I. The Directors:

II. Section Leaders:

Section leaders are chosen based on their chair placement and seniority in band, dedication and leadership skills. The concept of the total sound of the Stow Band is developed through communication between the sections & the band directors. Sectional rehearsals should be scheduled by the section leaders to develop:

1. Accuracy of rhythms
2. Matched section tone and pitch
3. Uniform interpretation of musical marking & articulations
4. Consistency and uniformity of playing & marching style.

III. Student Conductors

Student Conductors shall assist with conducting the band. Any Junior or Senior may audition for a student conductor position. Auditions will focus on conducting skill, personality, leadership and dependability. All student conductors shall play their instrument during pregame and test off all music from all shows.

IV. Squad Leaders:

Squad leaders are upperclassmen selected by the directors and are directly responsible for both the playing & marching precision of their squad. The squad leaders determine the line-up of their squad and enforce the use of music while outdoors. In rehearsals, squad leaders must have and use their music & charts at all times. Failure to meet the expectations of the director can result in the removal of the student from his/her position. Students interested in becoming a squad leader should demonstrate a good attitude and the ability to lead through example. A written essay will be required when applying for a squad leader position. Testing grades, marching fundamentals, attendance and ability to lead will be examined.

V. Band Officers:

Band officers will be elected by the students to assist the directors in the organization of special events & programs. They are the student leaders of the program & represent the bands. The following positions are elected each year.

PERFORMING ENSEMBLES:

Students enrolled in the band program must participate in Marching Band and one of the Concert Band programs. Upon completion students will earn 1 credit for the class.

"Bulldog" MARCHING BAND:

This is a mandatory part of the band curriculum. Participation requires attendance at summer rehearsals, band camp, Thursday evening rehearsals, football games and band shows/contests.

CONCERT BANDS: students will be selected by audition for one of the following groups.

The Wind Ensemble:

The Wind Ensemble is the highest level performing ensemble at SMFHS. Students will perform difficult musical selections usually reserved for college level ensembles. Considered the band department's honors level class. Class size typically 50-65 students.

Maroon and Gold Symphonic Bands

The Symphonic Band is designed as an upper high school level performing ensemble. Class size is typically between 60-90 students. In the event of two symphonic bands students may be split by ability level or divided equally. Multiple bands would be called the "Maroon" or "Gold" bands.

The Freshmen Band:

The Freshmen Band is designed as an average level performing group concentrating on developing concepts such as rhythm, tone, pitch and musicianship. Size of class typically 70-90 students.

JAZZ

ENSEMBLES:

Jazz Ensembles are offered once Marching Band is finished. Rehearsals are typically on Thursday nights. The Jazz Ensembles perform at band concerts and take part in jazz festivals. Acceptance in Jazz 1, 2 and 3 are based on concert band audition. Rhythm section players: Piano, bass, guitar and drum set all have a separate audition.

BAND ACTIVITIES:

Below is a partial list of SMFHS Band Activities, Practices & Performances during the year. Some of these are mandatory while others are voluntary. Current info is also available on the **SMFBand** or web site and calendar <http://stowband.org>

Mandatory Band Activities:

1. Marching Band Reading Session.
2. July 4th Parade & Practices: for current grades 8-11.
3. Band Camp & Evening Practices (in both marching band and concert band seasons).
4. Tag Day: Saturday in April or May from 9:30AM to 12:30 PM.
5. Concerts, Football Games, Band Shows, District & State Large Group Contest.
6. Daytime Pep Assemblies: during school time.
7. End of Year Performances: Commencement (Wind Ensemble), Senior Recognition Ceremony. (Freshman Band), and Memorial Day Services (Symphonic Bands).

Voluntary Activities:

1. Summer & Winter Parties / Lock-in: Possible small charges to cover food and facilities.
2. Solo and Ensemble Contest: Only students studying privately are permitted to play solos. Ensembles are open to everyone. (small charge). However, if a student signs up for an ensemble, they are expected to participate.
3. Jazz Band: Depending on the interest, 2 or 3 Jazz Bands will be offered. Rehearsals begin in November on Wednesday or Thursday nights.
4. Band Awards Banquet: Small cost involved per person. Open to all band families in May.

PROCEDURES REGARDING ABSENCES:

To be *considered* an excused absence you must do the following:

Submit a note or email from parent or guardian with the student's name, reason for the absence, date of the absence to the director of the ensemble, **THREE WEEKS PRIOR TO THE EVENT**. If a student misses a rehearsal or performance due to an emergency, the student should turn in a note of explanation immediately upon his/her return.

BAND HONORS:

The goal of **Band Honors** is to improve musicianship and to encourage students to go beyond what the student is exposed to daily during the band period. We have developed a variety of activities to meet the criteria for the honors credit. Points awarded are weighted based on the time commitment and the musical impact.

Each quarter the student must complete **5 honors points** from the numerous categories. **The student must complete a BAND HONORS COMPLETION FORM one week before the end of each quarter.**

10% of the student's grade in Band Honors or Band Honors 9 is based on completing the requirements of the class. If a student does not return the Band Honors Credit Point Sheet and does not complete the 5 points, they will not earn the 10%, thus lowering their final grade by one letter.

EXCUSED ABSENCES FROM PRACTICES, PERFORMANCES OR OTHER REQUIRED ACTIVITIES:

1. Personal illness - notice by e-mail.
2. Unavoidable family events: Weddings, a death in the family, etc.....three week notice applies (if possible).
3. Direct conflicts with other school activities. This means the student is a necessary participant in the activity. Direct conflicts do not include: practices, banquets, working on behalf of an organization in which you do not belong (a sophomore working in a Senior Class Play), or attendance at optional events or activities. In the event of two performances/events scheduled at the same time, the higher level event receives precedence.
 - * Games supersedes rehearsals
 - * Performances supersedes practices
 - * Tournament/playoff supersedes performances

* With sports teams, students who are starters will be excused, those who are not starters, must attend the band performance. **Any questions will be worked out between the student/coach and teacher prior to the event.**

5. Post-Secondary Class Conflicts that can not be resolved: three week notice applies.
6. Other items at the discretion of the director of the musical ensemble.
7. **Students may be asked to do additional projects or tests to make up for the absence.**

UNEXCUSED ABSENCES FROM PRACTICES, PERFORMANCES OR REQUIRED ACTIVITIES:

WORK AND HOMEWORK IS NOT CONSIDERED AN EXCUSED ABSENCE - your first obligation is to your school and its classes. Employers should be notified well in advance of your obligations to both family and school events. Provide your employer a copy of your calendar to assist them in scheduling.

EVALUATION AND GRADING POLICY: Marching Band

I. DAILY PRACTICE & PERFORMANCE: 40% of Final Grade:

Students begin the year with 100 points in this category. Unexcused absences, tardies, or cuts are subtracted from 100 points.

REHEARSALS & ACTIVITIES

Unexcused absence or Cuts - 10 pts
 Unexcused absence: Sectionals - 5 pts
 Tardies - 5 pts
 Excused but late - 5 pts

PERFORMANCES

Unexcused Absence or Cuts -50
 Excused but late: -10 to -25
 Discipline problems @ concerts -25-50 per incident

II. TESTS & QUIZZES: 40% of Final Grade (Written and or Playing Exams)

During marching band season music will be tested from memory in front of a squad leader, section leader or director. If a student passes the piece on time, the student will receive an A (100%). The piece must be played with correct style, dynamics and articulations. The week after a piece has been performed, the highest grade that can be received is a B (85%), two weeks a C (75%), three weeks a D (65%), and four weeks an F (55%). **Failure to pass a piece within five weeks after it's due will result in a 0.** Students are encouraged to **ATTEMPT** to pass every piece. An attempt is considered a "good try" but contains too many mistakes to be considered a pass. *Students may earn an ATTEMPT (50%) on a piece until the end of the nine weeks. ATTEMPTS may be tested for a higher grade at any times up to 5 weeks after the first performance.* It is important students stay current on the testing schedule and **ATTEMPT** each song on time. Not attempting or passing a song will seriously impact the Final Testing Grade. A Marching grade is also included into the Test & Quizzes category. Below is a breakdown of our grading procedure.

PREGAME 8% (7-9 tunes)	SHOW SHOW 8%	HOMECOMING KP NIGHT 8% (3 tunes)	SR SHOW 8% (3 tunes)	MARCHING GRADE 8%
-------------------------------------	----------------------------	--	-----------------------------------	---------------------------------

III. PARTICIPATION GRADES: 20% of Final Grade

Students begin the year with 100 points in this category. Participation infractions will be subtracted from 100 pts.

Cooperation, interest, and enthusiasm is a must for a band to function at its best. The participation grade is based upon the student’s attitude, behavior and willingness to learn. Marching band inspection will be given. Students will lose points for uniform violation. (dirty gloves, shoes, spats, un-hemmed pants, wrinkled uniforms).

No Instrument:	-10	Uniform Violations	- 5 for EACH violation
No Music:	-10	Discipline Infractions	- 5 to -10 for each violation.
Not Prepared for class	- 5		
Missing Equipment	- 5	(Reeds, Mouthpiece, Neck Strap, Lyre, Pencil, etc.)	

EVALUATION AND GRADING POLICY: Concert Bands

I. DAILY PARTICIPATION IN REHEARSALS: 40% of Final Grade:

Students will earn 100 points per week. Participation & Attendance (tardies) will be counted against the weekly points. (For an average week, students earn 20 points per day, 20 points x 5 days = 100 pts)

REHEARSALS

Cut Class	-50 pts	No Instrument/Reed	-50 pts
Tardy	-20 pts	No Music	-20 to -50
Not Prepared for class	-15 to -50 pts	Discipline Problems	-5 to -20
Music/Instrument not taken home.	- 50 points	Behavior	-20 to-50 and/or or office referral

II. PERFORMANCES: 40% of Final Grade:

A Performance is the culmination of weeks of hard work and team practice. Your attendance and participation at a Performance is your grade. In the case of excused absences, students will perform the selections from the performance individually for a grade. This will be scheduled with a director and will take place after school hours. A student who has an excused absence, but does not complete their playing test, will receive a 0 for the performance. **ALL UNEXCUSED absences will be recorded as a 0.** Any discipline problems at concerts including the usage of technology will result in the loss of points at the discretion of the directors.

III. TESTS: Written, Practice Tapes, Performances Tapes, or Playing Tests 20% of Final Grade:

Each quarter you must complete 2 recordings of yourself playing selected music. One recording must be practice sessions of at least 15 minutes and one must be a “performance” recording. Performance tapes will be graded on musical accuracy and are counted as twice the weight of a practice tape. You may also substitute a Practice or Performance tape with an Exemption Form. **Practice Tapes** must be a minimum of 15 minutes. You should drill specific areas in your music focusing on: Rhythm, Articulation, Note Accuracy, Dynamics, Intonation. **Performance Tapes** are a recording of an entire selection or selections that will be performed at the next concert. There is no “going back or fixing.” This tape will be graded on accuracy. You will want to submit your most quality work.

WRITTEN TESTS:

Throughout the year students may be evaluated using a written test. These tests may include: musical terms, writing correct rhythms, and/or key signatures. Students may also be asked evaluate a performance (live or recorded). When evaluating a performance, students will complete a rubric to evaluate tone, intonation, note accuracy, rhythmic accuracy, dynamics and overall musicality. It is the hope that as students learn to identify those characteristics as they listen to music, they can apply it to their own performances.

FACILITIES AND EQUIPMENT

The school district is not responsible for stolen or damaged instruments that are owned, rented or borrowed by the students. The instrument storage room is not secure 100% of the time so it is a good idea to lock your cases. Parents may wish to insure their student's instrument under their homeowner's or renter's policy.

Students must take proper care of their instruments, including not leaving them in practice rooms, classrooms, busses, hallways or on the floor in the storage room. Never touch another person's instrument or allow anyone to play your instrument. .

Only PERCUSSION students are permitted to play, touch or move percussion instruments. STRING instruments should not be touched at any time for any reason.

2. Use only *pencil* when marking concert band music. Be neat when marking music, and make only those marks that are absolutely necessary.

MARCHING BAND:

Pre-Band Camp, Band Camp, Post-Band Camp and Homecoming Parade:

Attendance at pre-band camp, band camp and post-band camp rehearsals is mandatory. These rehearsals are crucial to the band's success in preparation for the marching band season. Students in other SCHOOL activities who are officers or captains may participate in parade with their activity. ALL other students must participate in the parade with the band!

Football Season:

The band will perform at all home and away football games. Football games are held on Friday evenings through the months of September, October and part of November. If the football team qualifies for play-offs, the marching band season will be extended. Band members are required to attend regardless of weather conditions.

A. BAND STAND CONDUCT

1. Good bands look organized at all times! Your conduct in the band stand during football games is important to the impression we leave with the general public. Poor discipline presents a negative impression and good discipline presents a positive impression. You must always strive for good discipline. A part of that discipline is showing school spirit and supporting the football team.
2. BE ALERT! Events happen quickly at football games. Watch the director and be prepared to play the fight song after each touchdown or field goal. Do **NOT** play your instrument unless the whole band is playing.
3. Do not bring food to the band stand. You may get refreshments during third quarter, but you must eat away from the band stand.
4. Keep good care of your instrument. This will prevent it from being damaged.
5. Stay in your uniform at ALL times. Never place any part of your uniform or instrument on the ground.
6. Smoking, profanity and the consumption of alcohol are strictly forbidden at all times in accordance with School board policy. Violation of this will result in dismissal from band and disciplinary action by an administrator.
7. Never leave the band stand without permission from a director. (Third quarter is the only exception to this rule).
8. When you are in uniform, you represent the Band Department, Stow-Munroe Falls High School, and the community of Stow-Munroe Falls. Always leave a positive impression!

B. THIRD QUARTER PROCEDURE

1. Make sure your instrument is secure and safe when leaving the band stand. **YOU ARE RESPONSIBLE FOR YOUR INSTRUMENT AT ALL TIMES!**
2. Do not bring food back to the band stand.
3. Do not leave the stadium.
4. Stay in uniform at all times!
5. Public display of affection will not be tolerated.
6. You are expected to be in your seat, ready to play, at the end of the third quarter.

VIOLATION OF THESE RULES WILL RESULT IN THE LOSS OF THIRD QUARTER PRIVILEGES.

C. BUS CONDUCT

1. All school bus rules apply and are in effect at all times when traveling with the band.
2. Be on time for departures. (A quote to remember, "To be on time, is to be early - to be late, is to be left). You will be left if you miss the departure time. Violation of this may result in suspension from further travels.

1. Small instrument will go on the bus with the band member.
2. Instruments placed on the equipment bus should be cased properly and loaded/unloaded by the band member.
3. Make sure your instrument is properly identified.
4. Make sure you clean your instrument frequently. Make good use of cork grease, slide lubricant and valve oil.
5. Put your instrument away properly after each use: In case, shut and latched in storage slot.
6. If a school owned instrument is damaged due to student negligence, the student is financially responsible for the repair of the instrument. Normal maintenance will be handled through the Band Parents Association.

STUDENTS IN OTHER ACTIVITIES

Students must submit **Transportation Release Form** anytime they are not traveling with the band on busses. **THIS RULE IS ABSOLUTE!** Students may NOT drive themselves to or from any performance. The only exception to this is rule is students performing at Memorial Day ceremonies. This is only permitted due to instructions we received from our central office administrators. Parents are the only people who are permitted to drive their student to/from an event after completion of Transportation Release Form.

STUDENT DRIVING

1. Students are not permitted to drive themselves or others to any performance where a bus is provided. If a student cannot ride the bus, an adult must drive the student. A parent email or parent signed ***Transportation Release Form** should be given to the director any time a student is not traveling with the group. Always inform your bus chaperone of any changes. *Transportation Release Form available from the band web site.
2. Once a student arrives to a rehearsal or performance, they may not leave for any reason (food, change of clothes, etc...) without notifying a director.

Your band uniform cost about \$650 per student and proper care is essential. Students & parents are financially responsible for the issued uniform and raincoat. This includes damage due to accident, negligence or improper use. Lack of care in transportation and/or storage of uniforms can create mildew damage that will result in the replacement of the uniform. The uniform CAN ONLY BE DRY CLEANED BY MANHATTAN CLEANERS. During the season, the uniforms will be collected for two mandatory dry-cleanings.

PARTS OF THE UNIFORM & PROPER CARE:

HAT: The hat should remain on your head with the chin strap down until told otherwise by a director. To clean, use a Clorox wipe.

BLACK SOCKS: only Black Socks may be worn, NEVER WHITE.

UNIFORM LOST & FOUND FINE

If a student leaves any part of their uniform at school after a performance, he/she shall be fined \$5.00 The fine must be paid before the item is released back to the student. Students may pickup left items from the uniform volunteers immediately before the next performance. Fines are due at the time you pickup your uniform part. All fines collected will be donated to the band activity account & will be used to help defray the costs of band functions.

IF YOU FORGET PART OF YOUR UNIFORM

If a student forgets any part of their uniform, he/she may borrow a replacement from the Uniform volunteers. The student must however leave their cell phone as collateral. The phone will be returned when the uniform item is returned. This is only for students who leave uniform parts at home. You may not borrow uniform parts to avoid paying the Uniform Lost & Found Fine.

4TH OF JULY PARADE PERFORMANCE

The Stow-Munroe Falls 4th of July Parade is a required activity for all students currently in the HS program, including incoming freshmen. Tubas and percussion students will be transported with their instruments to and from the parade. All other students must make arrangements to be dropped off at the Stow-Kent Plaza then picked up at Holy Family at the conclusion of the parade. The dress for the parade is as follows:

- * Maroon SMFHS Band T-Shirt
 - * Khaki Shorts
 - * White Socks
 - * Tennis shoes
- ***** No hats or sunglasses are permitted in the parade. *****

PRIVATE LESSONS:

The music department feels very strongly about the importance of private study as an integral part of developing the student's progress on their instrument. The one-on-one relationship available in a private lesson allows for more individual attention than is permitted in a large group rehearsal. Students can concentrate on their own unique playing problems, improving on areas in which they are weak, and progress at their own rate. This individualized instruction can provide a better chance to master your own instrument. If interested in private lessons, see the Directors for assistance. Remember private lessons may be counted towards practice and/or performance tapes.

SCHOOL OWNED INSTRUMENTS:

The school provides use of “color” instruments at no charge to the student. All school owned instruments must be signed out by a director. Students must take excellent care of school owned instruments in their possession. It is the responsibility of the student to notify the director of any damage. Students will be held responsible for any damage from abuse or negligence. Cost of repairs will rest solely with the student and his/her parents. At the end of the year all instruments must be checked in.

INSTRUMENT REQUIREMENTS:

Students must have instruments in good working condition. All woodwind players should always have at least 3 spare reeds. Brass students should have valve oil, rotor oil or slide cream. All slides should function on brass instruments without hesitation. If a student or parent would like to investigate purchasing a step-up instrument, please contact the directors and they can help guide you in your decision or visit the web site. Sometimes a better mouthpiece (for both brass and woodwinds) can make a large difference. If an instrument becomes damaged always take it to a music store with an “in house” repair shop such as Central Instrument Company, Woodsy's Music or Musicians Repair Service. These stores have the fastest service and generally do the best work.

MARCHING BAND AWARDS:
