

**Narragansett Indian Tribe  
Tribal Transportation &  
Transportation Improvement Program**

**PUBLIC NOTICE**

**Overview**

The Narragansett Indian Tribe Department of Community Planning/Natural Resources provides public notice on the Tribe's Tribal Transportation and Transportation Improvement Program. This notice is in accordance to

**What is the Tribal Transportation Program (TTP & TTIP)**

The TTIP is a multi-year list of proposed projects development by the Narragansett Tribe from a Tribal Roads Priority List and the Tribe's Long-Range Transportation Plan, consisting of federally funded (BIA/Federal Lands Highway) roadways, transit, trails, safety, road inventory, other transportation enhancement and major transportation projects being considered within and providing access to Narragansett Indian Reservation over the next five (5) years.

The Tribe's current project will be to update Proposed Roads in the Tribe's road inventory and in the Long-Range Transportation Plan.
