

NARRAGANSETT INDIAN TRIBE
Job Vacancy Announcement

JOB TITLE: Environmental Technician/Biologist

DEPARTMENT: Community Planning & Natural Resources
REPORTS TO: Director of Community Planning & Natural Resources, or designee
Classification: Full Time

JOB SUMMARY

The Natural Resources Environmental Technician/Biologist is a BIA and EPA Grant funded position. The Environmental Technician/Biologist shall be responsible for and assist with the monitoring, sampling, assessment, restoration and protection of the flora, fauna and aquatic resources of the Narragansett Tribe. The Environmental Technician/Biologist will participate and assist in the development of environmental/natural resources management projects, grant development, development of management plans, Quality Assurance Project Plans (QAPP), and outreach programs and will serve to protect the environment and environmental health of tribal lands and the membership. The position must also understand and utilize the Global Positioning System and Geographic Information Software and equipment. Position is dependent on support funding and will require acquisition if continued, additional and subsequent funding.

APPLICATION INSTRUCTIONS:

Application Deadline: August 14, 2020

Applications are available at the Human Resources Department and the Community Planning & Natural Resources Department. The Job Descriptions are available online at: narragansettindiannation.org or by contacting the Human Resources Department at (401) 364-1100, extension 206. Email: bthomas@nitribe.org.

The Narragansett Indian Tribe **Indian Preference Act and Drug & Alcohol Policy** apply.

If selected applicants must successfully pass a drug screening test and be willing to submit to a criminal background check.

Please return, Application, Cover letter, and resume to:
Beth Thomas, Director of Human Resources
