### Part 1: Children Identified At-Risk via Developmental Screening

- **Medical Services (DB Peds)**
  - Therapy Services (OT, PT, Speech)

### Part 2: Referral of Child Identified At-Risk

- **Primary Care Site – Pilot Site: Physicians Medical Center**
  - **Improvement Tools Developed to be Implemented:**
    1. Referral to EI
    2. If other factors warrant, referral to Family Core Partners
    3. For those referred, phone follow-up within 36 hours
    4. Education to Parents of Referred Children

### Part 3: Referred Agency Ability to Contact Referred At-Risk Child/Family

- **Early Intervention (EI)**
  - ** EI Evaluation**
    - **EI Eligible**
    - **EI Ineligible**

### Part 4: Children Evaluated and Deemed Eligible/Ineligible for Referred Service

- **Secondary Medical & Therapy Services to help ensure robustness of services**
  - Covered by Public Insurance
  - Covered by Private Insurance
  - Self-Pay for Services

### Part 5: Secondary Processes (Referral & Follow-Up) for Ineligible Children

- **Applicable Family Core Partners**
  - Referring service in Family Core
  - Waitlisted for services
  - Family Core Partners unable to serve child’s family, or services were refused

### Part 6: Communication and Coordination Across Services

- **Input from ELC and SIT to identify resources**
  - Parent Rep.
  - Waitlisted for services
  - Referral to Medical or Therapy services
  - Communication that child not able to be contacted, not eligible, or not served.

---

**Legend:**

- **KEY STEPS**
- **Improvement Tools Developed to be Implemented:**
  - Referral to EI
  - If other factors warrant, referral to Family Core Partners
  - For those referred, phone follow-up within 36 hours
  - Education to Parents of Referred Children

- **Children Identified At-Risk via Developmental Screening**
- **Referral of Child Identified At-Risk**
- **Referred Agency Ability to Contact Referred At-Risk Child/Family**
- **Children Evaluated and Deemed Eligible/Ineligible for Referred Service**
- **Secondary Processes (Referral & Follow-Up) for Ineligible Children**
