

## Appendix: Status of Asset Mapping of Medical and Therapy Providers in Central Oregon

OPIP is working to identify medical and therapy providers (such as OT, PT and Speech) who can serve young children (0-3) identified with delays. We are creating a resource list to detail out the specific providers that are available for these young children and descriptive information about the providers that would impact their referrals.

### Providers Identified:

Nine providers have been identified for capacity mapping of Medical and Therapy Providers (OT/PT and Speech) in Central Oregon:

#### *Four Multidisciplinary Sites (OT, PT, Speech)*

1. Treehouse Therapies
2. Blossom Therapies
3. SONOS Neurotherapies
4. St. Charles Rehabilitation

#### *Five Speech Only Sites*

5. Redmond Speech and Language
6. Skidmore Speech & Language
7. Connections Speech and Language Pathology
8. Bend Speech Express
9. Bend Speech and Language

Attached is a draft capacity map and contact sheet, aligned with the information we have collected as of May 18<sup>th</sup>, 2020.
