**MUSIC SCHOLARSHIP SUNDAY TODAY** – Since its inception in 1964, the National United Choirs Music Scholarship program has awarded \$322,885 to 1103 applicants. This year, 1 of our young parishioners has been awarded a scholarship; Kaitlyn Gingerlowski, a repeat recipient, for the study of the violin. **Please be generous in your support of this important program in our Church life, and pray for the ministers of music** within our Cathedral Parish including the Chorale singers, the Young Choir singers, the Handbell Choir, and Mrs. Beth Howden, our Director of Music and organist. The music ministry is an integral component of the liturgical life of our Cathedral Parish. Their ministry continues to be a blessing to us all. The website for the scholarship program can be accessed through [nucmusicscholarship.weebly.com](http://nucmusicscholarship.weebly.com).

**OUR CEMETERY TREES** – Nine beautiful trees have been set between the pavilion and the mausoleum to replace the previous bower at that location stricken with various infestations. On reaching the peak of their maturity in the coming years, these new Skyline Locust trees will provide welcome shade and the comfortable coolness which accompanies that protection from the sun's rays. Our trees will also serve as stately memorials for beloved family members and friends. We are reminded once again, that with a donation of eight hundred dollars to cover the purchase cost of each tree, a suitable bronze memorial plaque will be placed at the tree's base and mounted on a metal stand. **Please consider being a part of the effort to beautify our cemetery by "adopting" one of the three remaining Skyline Locust as a memorial. Donations can be made in the parish office.**
