**One Hot Meal** is providing cook meals to the (IC) Intervention Center and Saint Joseph's Mother Infant House since September. A special thanks to Leon Stankowski and his family for their generosity and kindness during the pandemic preparing and delivering meals to the intervention center.

To meet some of the need, in addition to providing meals, we are supporting local nonprofits in a different way than providing a hot meal. Due to the pandemic, many nonprofits have more individuals reaching out. We are contributing by donating personal care items from their wish lists. For the month of October, we selected to support St. Joseph's Baby Pantry. In collaboration with MyCIL, Transitional Skills Center, the clients volunteer to shop for items on the Baby Pantry wish list, package and drop them off from OHM. It allows one Hotmail to continue to reach the community, and allows TSC clients to practice their vocational skills.

We extend our sincerest thanks to everyone for their ongoing donations for this community outreach project.
