

AQUA BLACK WSB SELECT™

AQUA BLUE WSB SELECT™

LAKE AND POND COLORANT

Simplified Application with Superior Dispersion

Aqua Blue WSB Select™ and Aqua Black WSB Select™

A simple and uncomplicated solution for coloring your pond or water feature. Simply toss in a pack and wait for the water soluble bag to dissolve. The unique granular formulation disperses more quickly and more thoroughly than traditional powdered formulations. The dye is non-toxic to aquatic species, water fowl and pets, and the water is available for recreational activities or irrigation immediately after full dispersal.

- Convenient 4 oz. water soluble bags
- Up to 12x more efficient than typical liquid dyes
- No direct contact with dye means less mess
- Non toxic to aquatic species, water fowl and pets
- Water soluble bags dissolve in under 2 minutes
- 1 pack treats up to 1 acre, up to 1 ft. in depth
- Available in black and aqua blue
