

# N&C NELSON & COMPANY LLC

## ENGINEERED EQUIPMENT

HEPA filter housings, filters, and dust collectors  
[www.aafintl.com](http://www.aafintl.com)

Sustained energy savings and enhanced IAQ through intelligent airside measurement  
[www.aircuity.com](http://www.aircuity.com)

**AMBER/BOOTH**  
 A VMC Group Company

Vibration isolation and seismic products  
[www.amberbooth.com](http://www.amberbooth.com)

Indoor and outdoor semi-custom DX, chilled water, and energy recovery units  
[www.annexair.com](http://www.annexair.com)

Air Purification thru Bi-Polar Ionization  
[www.atmosair.com](http://www.atmosair.com)

**COIL COMPANY**  
 HEAT EXCHANGE • AIR HANDLING

Duct coils and replacement coils (chilled water, DX coils and condenser coils)  
[www.coilcompany.com](http://www.coilcompany.com)

ABQ Pressure Independent Control Valves (PICV)  
[www.danfoss.com](http://www.danfoss.com)

Custom air handling units, packaged DX and energy recovery systems  
[www.energylabs.com](http://www.energylabs.com)

Water source heat pump units, 100% outside air WSHP  
[www.fhp-mfg.com](http://www.fhp-mfg.com)

PTACs, VTACs, VRP, ductless split systems  
[www.friedrich.com](http://www.friedrich.com)

Large industrial ceiling fans with high volume at low speeds  
[www.hunterfan.com](http://www.hunterfan.com)

Straight cool & heat pump RTUs & split systems, ERVs and commercial controls  
[www.lennoxcommercial.com](http://www.lennoxcommercial.com)

Variable refrigerant flow systems, ERVs, 100% outside air units  
[www.lghvac.com](http://www.lghvac.com)

100% outside air rooftop units and DX/chilled water ceiling cassettes  
[www.modine.com](http://www.modine.com)

Automatic flow control valves, hose kits and coil packs  
[www.nexusvalve.com](http://www.nexusvalve.com)

Humidifiers  
[www.purehumidifier.com](http://www.purehumidifier.com)

Electric duct heaters, unit heaters and baseboard heaters  
[www.raywall.com](http://www.raywall.com)

Chilled beams, air handling unit systems, chillers and heat pumps  
[www.swegon.com](http://www.swegon.com)

Custom air handling units and packaged DX  
[www.tmiclimatesolutions.com](http://www.tmiclimatesolutions.com)

100% outside air, horizontal, vertical, and specialty AC indoor unit  
[www.unitedcoolair.com](http://www.unitedcoolair.com)

Ultraviolet lights (high & low intensity)  
[www.uvresources.com](http://www.uvresources.com)

Double wall, thermal break, indoor blower coils & AHUs and RTUs  
[www.vtsgroup.com](http://www.vtsgroup.com)

Fan coil units (horizontal, vertical, and vertical stack)  
[www.williamsapplied.com](http://www.williamsapplied.com)

Natural gas-powered VRF systems

### Air Cleaning/Filtering:

-American Air Filter

### Air Handling Units:

-VTS, Swegon  
-Energy Labs, TMI

### Air Monitoring System/IAQ:

-Aircuity

### Chilled Beams:

-Swegon

### Air Cooled Chillers:

-TMI

### Coils:

-Coil Company

### Dehumidification System:

-TMI

### Duct Coils:

-Coil Company  
-Raywall

### Ductless Split Systems:

-LG  
-Lennox  
-Bosch

### Energy Recovery:

-Energy Labs, LG  
-Swegon

### Fan Coil Units:

-Krueger  
-VTS  
-Williams

### Hose Kits and Control Valves:

-Nexus  
-Danfoss

### Humidifiers:

-Pure Humidifier Company

### Outside Air Units (DOAS):

-United Cool Air  
-AnnexAir  
-Energy Labs  
-Lennox  
-LG  
-Modine

### UV Lights:

-UV-Resources

### Vibration Isolation:

-VMC/Amber Booth

Filters, Filter Housings and Dust Collectors

Sustained Energy Savings and Enhanced IAQ

Vibration Isolation and Seismic Control Products

Indoor / Outdoor Semi-Custom DX, Chilled Water, & ERVs

Bipolar Ionization

Tankless water heaters, wall-hung boilers, Bosch & Buderus boilers

Duct coils and Replacement coils (CW, DX coils, and condenser coils)

Custom Air Handlers, Packaged DX & Energy Recovery Systems

Water source heat pump units, 100% outside air WSHP

PTACs, VTACs, VRP, Ductless Split Systems, and Portable AC Units

Straight Cool & Heat Pump RTUs & Split DX Units, ERVs, Controls

Variable Refrigerant Flow Systems, ERVs, 100% OA Units

Packaged Rooftop Ventilation Systems

Flow Control Valves and Hose Kits

Humidifiers

Electric Duct Heaters and Baseboard Heaters

Chilled Beams, Air Handling Unit Systems, Chillers, and Heat Pumps

TMI Custom CHW/DX Air Handlers, Modular Chiller Plants, and Modular Boiler Plants

100% Outside Air, Horizontal, Vertical, and Specialty AC Indoor Units

Ultra Violet Lights (High and Low Intensity)

Modular DX & Chilled Water Air Handling Units, Fan Coil Units

Fan Coil Units (Horizontal, Vertical, and Vertical stack)

Natural gas-powered variable refrigerant flow systems
