Directors Corner----David Miser

Hope everyone had a great Christmas and a good start to a Happy New Year. Winter is here but there is always the H-D catalog to look at during these cold days and trips to be planned for when the weather is better.

The Christmas party was held December 8th and one person rode their bike to the party. Everyone seemed to have a good time with John Lange getting something a little extra. When you see him next, make sure you ask him about it.

Starting with the January meeting we will have our membership renewal so mark your calendar now to join us at the Marine Corp. League on January 20th.

Hope to see you all at the January meeting

Assistant Director----Lisa Radant

I hope all of you had a wonderful Christmas and New Year holiday. While I wasn't able to attend the Christmas party I've heard from several it was a great time. Next year...

Take care and I will see all of you at the January meeting.

Secretary----Deb Duncan

No meeting in December. Hope you all had a wonderful Christmas and a safe New Year's Eve. Here is wishing that 2013 will be a wonderful year for you all!

The chapter Christmas party was great with the Road Dawg providing excellent food and Red Hot Ken Scott keeping us all dancing. If you missed the party, please plan on attending next year – it's a lot of fun!

This year our chapter took care of 4 families with 8 children, all from Rock County. Bob and I delivered the gift certificates, along with some stuffed animals donated by Jim and Donna Casey. Once again, it was a humbling experience. There are families out there with stories that would rip your heart apart and we, as a chapter, were able to provide a bit of hope for them during this Christmas season. Thanks to all who contributed.

Historian---Jeff Robbins

The history is trickling in but we need more especially from the past so we can rebuild it. Thanks to all of you that have given me what you have so far, its really appreciated! I'm looking forward to what is our future as well as what was in our past. Thanks again and ride safe!

Safety Officer----Dave MacDonald

Happy New Year, it is 2013 and we are all looking forward to a new riding season. Some of you will be riding sooner than others, but we all have the longing to ride as soon as possible. The freedom, adrenalin, and adventure we all feel is what makes us long for each season. I personally look forward to the seasonal smells and the freshness of the great outdoors after being inside all winter. With each new season come the same safety challenges for the seasoned rider and new challenges to the new riders. If you are a new rider no matter your age, my job is pointing out safety concerns to you as a chapter officer throughout the year.

If you see something I have not mentioned recently please feel free to send me a note through my email. Starting with the January meeting I will be addressing tires and in February brakes. March I will address oil changes. During the riding season I will discuss seasonal concerns such as the importance of reflective gear, helmets and boots for road safety and warmth.

I do not write these articles to advertise for Kutters sales, but only for their safety value. I do work with Kutters and they have given us discounts because we are their customers and talk about new Harley items. I do not receive kickbacks or extra discounts, I am only interested in the safety value for all of us. We do want to support the dealership that sponsors us but there is no obligation to be exclusive. If you have any questions feel free to ask. Thank you and see you in a couple weeks.

MDA Tub Run Update----Dave Alwin

Happy 2013 all!!

Here's to this New Year being everything you want it to be. If 2012 was a tough one for you, here's to a better year! If 2012 was a good year for you, here's to a repeat of last year. This New Year is going to be what we make of it, so here's to a GREAT 2013!!

Tickets for the February Bike Raffle are going well. We could really use some help selling tickets on the weekend at Kutter. You get a Chapter point for every hour you sit and sell tickets, and you can sign the back of every ticket stub you sell while sitting there for a chance at the \$100 reward for selling the first place and second place ticket. Be sure to mark down in the white book at Kutter what hours you sat and sold tickets, so I can keep track of your hours.

Also in the white book, is a sign up sheet to help out at the Moose Lodge the day of the raffle. We need help at the door, we need help selling 50/50 tickets, and we need help selling small raffle tickets. Bottom line, we need help that day. Sign up in the book and I'll be calling you the weekend before the raffle to give you the where and when of the day. The doors will open at noon and we will have pool tournaments going on throughout the day.

We are already well into the planning for this year's Tub Run, which will be stopping in Albany this year. They do a good job at hosting us each year we stop there. I know that they are looking forward to us invading their quiet little village for that afternoon.

I almost forgot to tell ya. This year's total for the tabs that we collected all year? Total pounds were 168, for a total of over 258,000 tabs collected!!!! This year's goal is to collect 170 pounds. Myself, and the Ronald McDonald House can't thank you enough for helping collect these tabs each year. You have no idea how many lives you touch by doing this.

Talk at ya next month and we'll see you at the Moose Lodge on February 9th.
