From Jaycie Doubleday:

The 2005 chapter DVD will be playing at the January meeting for those of you who didn't get to check it out at the Christmas party. Deb Nachazel did a wonderful job coordinating the photos and music. Copies are being burned and will be on sale at the January meeting for \$5 each. Please see me if you would like to purchase one. Thanks!

"Toy Ride" a Success!

The annual chapter "toy ride" held on October 8th was a success once again. The ride raised \$1,300 to purchase gifts for the children of the Janesville Big Brothers Big Sisters' youth-mentoring program. The toys were distributed to the kids at their annual Christmas party on December 10th.

NOTICE: Newsletter copies will be available for pick up at Kutter after the first of the month. Name, phone, e-mail, and physical address changes need to be provided to Donna McCormick as soon as possible.

DIRECTOR'S CORNER

As I enter the New Year as the new Director of the Janesville Hog Chapter I first want to thank the efforts of former chapter officers.

Dennis Barth—Director

Diane Ellis---Secretary

Brent Ellis---Assistant Road Captain Pam Yardley---Ladies of Harley

Jaycie Doubleday---Photographer

These people did a great job over the years and are responsible for the current success of the Janesville H.O.G. Chapter. Again---thanks for a job well done.

By the time we meet at the January meeting, your officers will have had two meetings setting the course for the year 2006. It is my intent to have officers that are visible at the meetings and will be open to questions and have articles in the every monthly newsletter.

The area that we will work on this year will be the **Ladies of Harley**. A lot of ladies ride Harleys and I want you to become active in the Ladies of Harley. You have a very outgoing leader in Sandy Bingham. Remember ---if you do not become active you cannot make a difference.

Safety----Until now not much has been done with the Safety Directors position. We now have the Mike & Mike show. Mike Fagan and Mike Borgwardt will be offering monthly safety articles in the newsletter and they are researching setting up an Accident Scene Management class this winter. We are also looking for interesting videos to show at the winter meetings.

Activities ----We have Bruce & Linda Schumacher as our Activity Directors for the New Year and they are ready to roll. We hope to have our calendar set for the year and ready to handout at the January meeting. This is one committee that needs the support of the membership. Get involved. Offer suggestions to Bruce and Linda. Participate in the functions. Be a volunteer. Jes Schild and Rick Harle, our **Road Captains**, will be working with Bruce & Linda to make sure all rides are safe and well organized for the members.

Webmaster----For the first time, this chapter has a webmaster. Michael Cullen is already working on our chapter webpage that will be linked to the Kutter website. In the very near future you will be able to see all of our activities and pictures of our members, as shot by Laura Farnsworth, our chapter Photographer. You will also have access to the monthly newsletter from our webpage.

Assistant Director---Deb Duncan will spearhead the new member function in the chapter. We want to make sure all new members know who we are and that they are made to feel welcome in our chapter.

Secretary---Donna McCormick will be taking the minutes of the meetings and we will have a brief recap of the last meeting in the monthly newsletter. Donna will also continue to keep the point of the members and have a copy of these points at all meetings and in the chapter book that is kept at the dealership.

Editor---Teri Barbieur will be the new editor and will have the challenge of making the newsletter even better than it is today.

Membership---Sheila Lund-Wild will again be our membership officer. **Remember to renew your local membership at the January, February or March meeting. You must be a current National Hog Member to join the local chapter.**

Merchandise---Sandy Barth and Charlene Schaetten have done a great job in getting new H.O.G. merchandise for members to purchase.

At the January meeting I will be drawing names for the state rally in Green Bay, WI June 23 thru June 25. The signup sheets are at Kutters H.D. We have more names than rooms available for rooms at the Casino,

but we have 20 rooms at the James Street Inn in Depere, WI for \$89 per night. There will be bus service from all hotels to the Radisson Hotel and Conference Center, which is the rally site. If your name is drawn, you will be given instructions on calling to put the room in your name. After the meeting all rooms not taken will be turned back to the hotels. Remember only **ONE** room per family or couple. Please do not sign up more than once per couple.

In the recent past, the point system has come up for discussion within the chapter. I am an advocate of the point system and the current point system will remain. The point system rewards those who are active in the chapter. What we need to do is make the reporting system better and make sure those who are in charge of an activity make sure all volunteers sign up and turn in the results in a timely manner to the Secretary.

You can start earning points by selling tickets for the MDA bike raffle in February. Have you picked up a book yet? Remember all the money goes to the MDA. Please make that effort to sell 1 book of tickets.

I will sign off for this month but if you have questions please contact me or stop me at the meetings.

Remember –this chapter is only successful if the members participate. I challenge all members to become active ---it won't hurt and you will meet new and interesting people and you might just have a little fun.

Gene Schaetten, Director

ASSISTANT DIRECTOR----*Deb Duncan*

Happy New Year! 2006 appears as though it is going to be an exciting year for our Chapter. We have an energetic, diverse group of officers who are excited about their duties and willing to work hard to make this a fun two years. Additionally, we have a chapter that is filled with interesting and fun people and I am hoping to capitalize on those traits to make everyone feel a part of the group.

I am looking forward to my new duties, working with Rick Harle to help our new members feel welcome and helping introduce them to the current members of our chapter. We will be providing each new member with a paper name badge when they sign up. Also, if you have a name badge, please wear it. In a chapter the size of ours, it is hard to remember all of the names. Please take some time to meet and talk to our newest members, hopefully you will be riding with them or working next to them at some event throughout the year.

One last note: if you have ideas or suggestions for the chapter, please talk to either Gene or me. I have heard a lot of suggestions for different activities over the last two years – now is the time to voice those thoughts and help us grow! See you at the meeting.

Activities Officers----*Bruce & Linda Schumacher*

We've lived in the Edgerton area 15+ years and have been riding for over 30 years. We have two grown sons and an ADORABLE granddaughter. Traveling is one of our favorite past-times (especially on our bike)! We are excited to be the first husband/wife Activity Director Team for the Chapter. We are looking forward to planning many "old favorite" activities and also looking for fresh, new activities for the group to pursue.

If you have activity ideas, please contact us by using the contact information on the first page of the newsletter, or note your idea in the Black Book under the Proposed Activities page. (Please list your contact info, so we can respond.)

Don't be afraid to volunteer as the activities develop. It's a great way to earn points and support the chapter.

Secretary----*Donna McCormick*

I would like to introduce myself - I'm Donna McCormick, your new secretary. I joined the chapter last summer with Jim Casey. We are so excited to belong and have met so many amazing people already and are looking forward to meeting all of you. All names, phone numbers, and e-mail and physical address changes should be sent directly to me. I will be tracking member points, so all points should be reported to me in a timely manner. Your help with that would be greatly appreciated. Please complete a renewal form (attached to the newsletter) and bring it with you to the next meeting.

I am looking forward to seeing you at all our meetings. Remember, you get a point by attending the meetings. Have a Very Happy New Year.

Dealer News----*Jennie*

Nothing new this month.

Editor----*Teri Barbieur*

This is my first newsletter as the new editor of the chapter. I look forward to bringing all of you the chapter news and events each month throughout my tenure. Please let me know if you have any ideas to make this newsletter even better than it already is. Your suggestions and comments are welcome! The winter solstice has passed, each day gets a little bit longer . . .we're on our way back to riding season! *Newsletter deadline for February is January 25th. Contact info is listed on the front page.

Road Captain----*Jes Schild*

As we head in to a new year, I hope everyone is as optimistic as I am. With all the positive energy I felt at the Christmas Party, 2006 should be a great year. 2005 for me personally was not one of the best years in my life, it wasn't even one of the good years. But that is behind us now; we'll file the good memories, and there were some great ones, and delete the not so good ones, and go on from here.

As your Road Captain again for the next two years, I am looking forward to working with all the new officers. I hope we all can work together to make the Chapter better. As I look back on the last two years, I saw member participation increase immensely, and I think we will do even better this year. Any organization is only as good as its members, and this is a great Chapter. After all, $E=MC^2$ (energy is the mass of the chapter multiplied by itself).

I changed the Assistant Road Captains sign up sheet to make it easier for you to sign up. I made three sections: After Meeting Rides, Special Event Rides, and Dinner Rides. Each section is divided into particular rides. After Meeting Rides section is divided into two lines for each month, March through October; you can sign up to lead a ride in the month you want. I would like to see two After Meeting Rides each month. These rides are not hard to set up. I can and will help you with that, if you want. Special Events Rides section has the rides list; these are lead rides, poker runs, and mystery rides. They are a little more work, but also much more gratifying. I will help you with these, also. Dinner Ride Section is divided into two lines for each month, April thru September. These are not After Meeting Rides, day or night rides, but could be. If you sign up to lead a Dinner Ride, you will need to have a date, time and destination in mind, then we'll set up a sign up sheet for the Black Book. I think this new format will make it a lot easier for Rick and me.

I am still involved with the MDA Tub Run as Road Guard coordinator. This is my 5th year in this position and my 12th year on the committee. I will again be asking you to volunteer your time for this event. I will have more about what a Road Guard is and how to volunteer to be one next month.

See you at the Chapter meeting at the Best Western on the 15th of January.

As always - Ride safe, Heads up - Rubber down.

PS-----**STOP THINKING SNOW!!!!!!!!!!**

Assistant Road Captain----*Rick Harle*

I am excited about the new year and my duties as Assistant Road Captain. I look forward to working with Jes and meeting those of you I haven't met yet.

Photographer---*Laura Farnsworth*

Hi. My name is Laura Farnsworth, the new chapter photographer. I am married; a mother of 5, and photography has always been one of my many interests. Dennis Barth asked me this summer if I would be interested in the position after he saw my photos of chapter events on Webshots. I was happy to volunteer for the position. I thought that the promotion to an officer's position warranted a new camera, so I have some new equipment that I am excited about using to capture some "Kodak" moments of you all at various events. My husband Roger will be taking photos also, which will give me more to choose from. I would like to minimize chapter costs by going all digital, and if need be, I will choose select photos for an album, and have them printed. Keeping with the most recent tradition, I will make a DVD of the year's highlights to be shown at the Christmas party, and for sale at minimal cost. There will be a chapter photo again this year and hopefully we will have at least the same turnout as last year, but more would be better!

On another note, I have been riding for 30 years this year, and my current ride is a '97 FXSTC (Softail Custom). Besides photography and motorcycling, I love music and have quite an extensive digital collection on my computer (and iPod). Please feel free to contribute any digital photos that you take at various events, as I know that I will not be able to attend them all. If you have printed photos, I can scan them onto my computer for the Christmas DVD, or printed photos for the album.

Have a great new year everyone, and keep smiling! You just never know if a camera is pointed your direction!

Membership Officer---*Shiela Lund-Wild*

Only 80 days left until we begin our riding season for 2006...I keep hanging on to that thought as I'm shoveling snow, freezing my fingers & toes and paying too much of my hard-earned money warming (note: I didn't actually say "heating") the house. As you read this, I hope you all have good memories of a wonderful holiday season with your family and friends.

With the January 15th meeting just a couple weeks off, I'm getting prepared for three busy months of membership renewals. I plan to be available at 9:00 a.m. prior to the January meeting for registration. In order to make this process as painless as possible for all of our members, **we are enclosing a Chapter Membership form with this month's newsletter**. Please complete the form prior to attending the meeting for a quick & easy renewal process. This system worked well last year for a quite a few of our members and I encourage you to try it this year. Be sure to include your email address if you have one available; also, indicating any changes to your address, phone number, etc. helps the line move faster. I'm open to any suggestions on other ways to help speed-up the renewal process. Feel free to contact me at the contacts listed on the first page of the newsletter.

We've already had our 1st officer's meeting for 2006 and it sounds like we have a fun-filled year ahead of us. Once again we are fortunate to have helpful, dedicated officers volunteering their time on behalf of our chapter. Michael, our new Webmaster, has made wonderful progress on our Chapters new website, which will supply a wealth of information on activities, members, officers, etc. Be sure to it check out when it becomes available!

I'm looking forward to seeing as many of you as possible on January 15th!

Merchandise Coordinators ---*Sandy Barth & Charlene Schaetten*

We hope everyone had a Merry Christmas and Happy New Year!! Remember, the days are starting to get longer, which means we will be riding before we know it.... Or at least we are hoping....

This past year was very fun and exciting for both of us. We purchased a wider variety of merchandise than ever before and the best part is that we sold almost everything we ordered. Which means that you are very active members who are excited about being in this chapter!! That is great... A special thank you to everyone who made a purchase or purchases last year. That makes our job fun....Thank you. The best part is that we get to do it all over again this year with new items.

2005 – We still have several items to choose from:

White sweatshirts - \$26

Hats for \$15

Men's black wheel short sleeve shirts - \$21

Ladies football jerseys - \$20

Our first new item for 2006 is a long sleeve **navy** Henley, which will be available at the January meeting. The sizes will range from medium to 3 XL at a cost of \$25 each. REMEMBER: we always have available H.O.G. and Chapter patches and pins.

We hope to see everyone at the January meeting (Best Western, Janesville) making their “cooler weather” purchases. And for those lucky winners who won the chapter merchandise gift certificates at the Christmas party..... Don't forget to bring your gift certificates along with you. **NOTE: these gift certificates are only good for HOG MERCHANDISE sold at the Chapter meetings.**

Ladies of Harley---Sandy Bingham

We invite all female members of H.O.G. to become active in LOH. Ladies of Harley is the women within the chapter who enjoy organizing and participating in motorcycle travel, recreational, social, and charitable events. Our purpose is to organize and promote activities for the enjoyment by all chapter members and their families. We encourage all women to get more involved with the chapter and activities. Whether you ride two-up or your own bike, please join us in planning and participating in fun day and overnight rides, chapter and charitable events and activities.

To be a member of LOH., you must be an active female with full, full life, associate or associate life membership in H.O.G. Membership to LOH is free of charge; however, it is not automatic. It tells you on your membership card if you are a member of LOH. If you are not, please contact the HOG office or visit the Members Only Web site at members.hog.com to update your membership profile to include LOH.

With this said, allow me, Sandy Bingham, to introduce myself as South Central HOG-LOH Director. I have been a passenger for many years, and a member of HOG – LOH for 3 years. After losing my driver last year, I still yearned for the open road and to keep my membership in HOG – LOH, a wonderful and fun group of friends. With some gentle persuasion from many, I found myself taking the riders edge course last April and buying a Buell. A huge Thank you to all who helped me get this far.

My plan for LOH is to become a very active group. I would like to make this a **TEAM** effort. If you have ideas for any month or any activity, (women only, couples, or families) please call me, 608-752-7256 (work), or send them via e-mail at: ppmnus@charter.net. Be sure to include in the subject line: for LOH, so I will know what it is and not delete it. I welcome all ideas, thoughts, possibilities and help to make this a fun year. See everyone at the January meeting.

To the Male members: if your significant other is a member of HOG and not of LOH, try to persuade them to change the line in their membership profile. It is free to all female members! We will include you men in our activities!

Safety Officers----Mike Fagan & Mike Borgwardt

Happy New Year 2006! We have a GREAT year ahead of us—with many excited ready to contribute new officers in our HOG chapter. SPRING is only 79 days from January 1st. We hope we can be riding safely by then if the roads are clean.

Your new Safety Officer(s) for this year are Michael Fagan and Michael Borgwardt. We have teamed up to make a difference in our chapter, by presenting rider training and rider safety as an important part of our Harley riding experience.

My name is Michael Fagan and I have been a member of the Kutter HOG Chapter since it began in Delavan, WI just prior to the Kutter move to Janesville, a long time ago. My 20+ years of riding experience has been wonderful. I would like to think my attending the Motorcycle Safety Foundation Basic Rider Course, the Experienced Rider Course in 1992 and recently Riders Edge Experienced Rider Course in 2005, have been a contributor to my riding skills. I believe in safe riding. Motorcycle *rider skills* and *rider attitude*, a little fear of the machine, and defensive riding will provide many more years of riding fun for all of us. My co-officer and I wish to contribute to this chapter ideas about safety. We are looking forward to a safe riding season ahead.....**THINK SAFE RIDING THIS SPRING!**

My name is Michael Borgwardt. I wish to add to this safety officer position by bringing discussion, and offer training, the possibility of hosting an Accident Scene Management Seminar this year, if enough interest is shown. We hope to include articles from the Riders Edge Course also. Share your thoughts with us. The “Mike & Mike Show” is here to serve you.

Webmaster----*Michael Cullen*
