DIRECTORS CORNER----*GENE SCHAEITEN*

The riding season is winding down and the days are getting shorter, but we still have some riding to do before we are forced to put the bikes away for another winter season. It has been a busy year with a lot of great riding, the MDA Tub Run and many charity rides put on by the members of our chapter. I want to thank all the people who organized rides, participated in the rides and the volunteers who worked all of the events. I also want to thank Kutter HD and their staff for their help and participation in the events. Without their help, some of these events would not be possible.

The September meeting at Culvers was a huge success and everyone who came to the meeting enjoyed the coffee and those big and great cinnamon rolls. Culvers and their staff went out of their way to make us welcome and we will be back next year.

The next meeting is October 15th at Kutter HD and it will start at **9:30AM**. This meeting will be short and we will have the Color Ride/Toys for Kids after the meeting. Bring a toy or money; your donations will go to the Big Brothers and Big Sisters. We are coming upon the season where we think of those that need our help and this is where this chapter has always done a great job. We are all fortunate to own and ride these Harleys, so let's take the time and give the money to benefit the less fortunate.

October also has the Breast Cancer Ride sponsored by the Ladies of Harley on October 1st. I know the newsletter will arrive after this ride but I hope you took the time to participate in this very worthy event.

October 28th is the annual Halloween Party and will be addressed in this newsletter. This is a fun event --- you don't have to wear a costume ---just come out and have some fun and hang out with your friends.

Even though the riding season is coming to an end, the planning season for next year's events will kick into high gear with our officers meeting in November. It is our goal to make next year better than this year.

Remember---October is a month of change---wet leaves on the road, shorter days, deer and colder nights. Ride safe.

ASSISTANT DIRECTOR----*Deb Duncan*

I heard the meeting at Culver's was well attended and the cinnamon rolls were excellent! Go figure that would be the meeting we would miss! It's time to put on the leathers and get out and see the fall colors. Take advantage of any warm sunny day and go ride, as they will become fewer and further between with each passing day.

There is still time to earn points to get into the Christmas Party free – check out the activities coming up and volunteer. It's fun, does not take much time and a great way to meet other chapter members.

Have you attended an activity and had fun? Tell your officers – next year's activity planning will be under way soon. All ideas are welcome! See you all at the October meeting.

Activities Officers----*Bruce & Linda Schumacher*

Fall has definitely arrived. The sky is deep blue, leaves are multicolored, warm days and cool nights. The change in season has not slowed down our activity schedule a bit. Here's what's coming up:

Sunday, October 1: Karla Sampson Breast Cancer Poker Run. Come out (register at Kutter HD from 10:00 - Noon), take a ride, and donate some bucks to fight this number one health threat to women (\$20.00 per person, includes t-shirt).

Sunday, October 15: Reminder, we will be recording mileage on bikes for the ending and beginning mileage contest at the chapter meeting - RAIN OR SHINE. And after the meeting, the Fall Color Ride/Toys for Kids.

October 28: Chapter Halloween Party: Costume Party, Pumpkin Carving Contest and more surprises. Get the details on the first page of this newsletter.

Enjoy the weather, be safe and have some good rides.

Secretary----*Donna McCormick*

Gene Schaetten opened the meeting at Culvers in Newville. He announced that the mileage counts will be taken at the next meeting at Kutter HD on October 15th. Also plan to go on the Color Ride/Toys for Kids after the October meeting.

Rick Harle had a meeting with the new chapter members that joined.

Judy Smith won the 50/50 – congratulations! The 50/50 total was \$122.00.

To those of you that went to Tomahawk, I hope you had a great time! We had to miss it this year because I had foot surgery.

Shiela Lund announced the grand total at the meeting for the Humane Society Ride. It was a great turn out - thanks to everyone who helped make that possible. The chapter donated \$500.00 towards the ride. Read about it in Shiela's column.

Laura Farnsworth still has group pictures to be picked up, and Greg Tanko has nametag pins to be picked up. Please pick up the items you ordered - we don't want these people to get stuck with the cost of what gets ordered but not picked up and paid for.

Sandy Bingham of LOH is coordinating the Karla Sampson Breast Cancer ride on October 1st. All sponsors will get their name on the back of the event t-shirt.

Charlene Schaetten had patches on display that you can always order. If you would like a shirt, contact her and she will get one for you.

Dave Alwin presented a check on TV for the MDA for \$167,000.98. We have a TV celebrity in our chapter. Great job Dave!

Dave also announced that the MDA Bike Raffle will be at the Moose Club. There will be a lot more room, so tell all your friends and relatives to come and join us. There will be a band too.

Activities director Linda Schumacher was there to take the mileage counts, but because of bad weather she said they would do it next month. Linda and Bruce have done a great job this year.

Road Captain----*Jes Schild*

Nothing new this month.

Assistant Road Captain----*Rick Harle*

It seems like summer is ending abruptly. I know we still will have some good riding weather, but the cooler weather reminds us that winter is coming and the riding days for the season are numbered. Phyllis and I will not be able to attend the October chapter meeting or the Color Ride/Toys for Kids, as we will be in Daytona Beach, Florida for Bike Octoberfest. I am looking forward to Halloween Party!

Photographer----*Laura Farnsworth*

The webmaster should have the photo CD in his hands as you read this, so sometime in the next couple of weeks I assume you will be seeing some of them posted on the website. I'm sure as soon Mike gets time he will post the photos for all of you to see. I hope you all enjoy them when he announces their arrival.

I have not taken the remaining Chapter group photos to Kutter HD as I stated at the last meeting, but will bring them once again to the October meeting at Kutter HD. After the October meeting, I will leave the remaining photos with Sonny (which he doesn't know yet). Some of you have not picked up the photos you ordered -please refer to last month's newsletter to see who you are.

Membership Officer----*Shiela Lund-Wild*

Thank you to all who participated in the Hogs for Shelter Cats & Dogs Poker Run on September 9th. Despite the cooler, dreary day good ole Mother Nature presented to us, we were able to present the Rock County Humane Society with a sizable and much needed \$3,017 donation! Between the 93 registered riders, the silent auction, raffle tickets and very much appreciated contributions, we had a successful event - combined with the \$500 chapter contribution we were able to top \$3000! I'd like to send out a big, heartfelt THANK YOU to all who participated to make this possible. The funds will be utilized to the max toward the proper care, comfort and placement of the thousands of animals that pass through the Humane Society's doors on a regular basis. A big PAWS-UP to South Central HOG!

Congratulations to Deb Nachazel on having the high bid on the original artwork (HD Hog) created for our event. For those who missed out, we do have a limited amount of signed prints (from the original) available for \$20 each – all proceeds will go to the RCHS. Additionally a few packs of note cards are still available for \$5 – both the HD Hog & Christmas Pup. Please contact me if you are interested in either of these items.

Another good turnout at our September 10th meeting at Culvers in Newville – I know lots of people really enjoyed the delicious & gigantic rolls they set out for us. We were pleased to welcome the following new members: John & Jeri Helgestad from Cambridge and James Hosey from Beloit. New members Matt & Justine Reckard from Edgerton were unable to attend – WELCOME to all of you - we hope to see you at our October activities!

Merchandise Coordinators ----*Sandy Barth & Charlene Schaetten*

Nothing new this month.

Ladies of Harley----*Sandy Bingham*

By the time you read this, the Breast Cancer Poker Run will be over and we will be counting the money. Information will be available at the October meeting with regards to its success. As of this writing, we have 25 - \$100.00 sponsors. Everything is paid for and we have a head start on profit.

Please read about the Halloween party on the front page. It is all happening on Saturday, October 28th at Russ's Park Place, 1637 E. Racine Street, Janesville. Hope to see you there.

Ladies of Harley are having a 2007 ideas session starting at 6:30 pm on Friday, November 3rd at my home: 3904 Park View Dr., Janesville. All ladies are invited. If you cannot attend, please send me your ideas at ppmnus@charter.net or call me at 752-7256.

Please sign up if you would like to attend the Christmas show, "Christmas Schooner" at the Armory on Saturday, November 18th. Regular price is \$63.00 plus tax and tip. If there are 20 or more, we can get a discount. This does include lunch and matinee performance. Please sign up soon, by October 22nd, so we can get our reservations in as they are filling up fast. This will be a fun afternoon while the men are off hunting!

Enjoy the fall colors!

Safety Officers----*Mike Fagan & Mike Borgwardt*

Fall riding season has arrived! October can be the most beautiful month of the year to ride as we prepare to end our riding season with weather and winter around the bend. Safe riding is paramount this month as a lot of issues that we may not have experienced recently can come about. In the mornings we may have fog, frost on the road surface, wet leaves, wind, and temperatures that we maybe did not prepare for. It is COLD at 60 MPH! It is dark early in the morning; it gets dark early evening, by 7 PM; our visibility is reduced; deer are present on the wooded and not wooded roads we ride on; motorists do not expect to see you, or think you are not out there riding now that they have their windows up. I suggest each of you think about this and **Be Prepared** - your safety is most important as we enjoy the changing of seasons. RIDE SAFE, hope to see all of you during the wonderful month of October.

Webmaster----*Michael Cullen*

As summer winds down and your Harley's rumble is silenced by frigid temperatures that make one wonder why we live up here when our brothers and sisters down south ride all year long, I hear you ask yourself, "what shall I do with my winter to stay connected with the chapter?". . .go on, ask yourself, I will give you a couple of minutes.....

.....OK. I have the answer. Of course you make the meetings, Christmas party and some polar bear runs - BUT, we at the chapter have developed a way that you can share the great memories of summer with everyone in the whole wide world. I am getting to the point, bear with me please! JanesvilleHOG.com has a new section called "suggested rides" and it will be a way you, our members, can write a piece about your favorite rides. They can be local, an hour or two, lunch rides, a day trip, an overnight-er or even that wonderful trip to Sturgis, Biketoberfest, or out to Colorado to see great uncle Ralph. Please check out the section and start e-mailing me your stories. This will be for chapter members only to submit to so please include your HOG#. When you e-mail me make sure you attach a photo to go with the story (you and your bike work nicely), and include the word "HOG" in the title of the e-mail. If you can't get a photo of yourself, please see Laura (our photographer) and ask her to take one and e-mail it to me. It's nice to put a face to the story. So start typing. Any questions you may have about content or length please e-mail me at Beloitfiremedic@sbcglobal.net.

Ride safe until we can't ride any longer and then type safe (I hear carpal tunnel is a real pain). Until next month. . .

MDA TUB RUN UPDATE----*Dave Alwin*

Hey all. . .not a whole lot to talk about this month. I did have the pleasure to present the check from the HOG Chapter at the MDA Telethon in Madison on Labor Day. I gave them our check in the amount of...are you ready for this.... \$167,098.00!!! You should have heard the gasps in the crowd when we announced the total we raised this year. It was pretty cool people! I was honored to represent our HOG Chapter.

Not much more to say. Working on the bike raffle. The goal is to have tickets at the October chapter meeting. Talk at ya later.

Be safe riding and enjoy life to the fullest!!
