Directors Corner----David Miser

Fall is now here in Wisconsin and the weather is starting to cool down. I left for Tomahawk on Saturday the 14th and it was only 39 degrees outside. The long ride home that night was warm until the sun went down. I guess we are going to pack our jackets for our day rides from now on.

News from our chapter members: John and Sharon Feiereisen were at J&P Cycle in Anamosa Iowa for the annual sidecar rally. Some of you have seen their bike/sidecar and how great it looks, well they took 1st place in the peoples choice award for 2013. Congratulations to our West Bend members.

We have kicked off the MDA year with the Janesville Jets Jersey auction and this is just the beginning of a fantastic year to come. Hope all of our members can get involved with the MDA plans and make this one of the best years ever for our HOG Chapter with MDA.

As I mentioned at the September Chapter meeting, our officer elections will be held at our October Chapter meeting. If you would like to step up and be an officer, please contact Lisa Radant, John Hedegaard, Deb Duncan or myself so we can get you on the slate of officers. Every office is open every two years so if you would like to help out please give one of us a call.

Our next meeting is October 20th at Bobbleheads on the south side of Janesville, starting at 10:00 am. Hope to see you all there.

Note: The coffee will be ready when you get there.

Assistant Director---Lisa Radant

Secretary----Deb Duncan

Activities Officer--- John Lange

Thanks to everyone who has contacted me with well wishes and hopes for quick recovery. Hopefully this Tuesday will be the big day when they take this anchor off my leg and I can start learning how to walk like a regular dude again. I'll also find out what they want me to do regarding physical therapy – oh boy!! I was able to get to the September meeting and it was great to see everybody again. It seemed like it had been a year since I made that run up the interstate to Janesville. Even though it was in the

truck, it was kind of fun to move along at 70 miles an hour instead of the turtle's pace I've been moving at for the last six weeks.

As I mentioned in the meeting, I'm afraid I'm not going to be able to lead the ride on the 6th to Delafield. Even though I am determined to ride at least one more time before the snow hits, that's going to be too early. Maybe somebody else wants to lead that one.

Speaking of leading rides, we're still looking for somebody to take my position as Activities Officer for the next term. Remember, you get a really cool patch with the position! Dave mentioned in the meeting that I still intend to put together another "over-nighter" for next year (this one I intend to attend!) We'll start talking about it in January. That way we'll know what events will be on the calendar and work around them. If anybody has suggestions as to destinations – let me know. Paul Brunsell has brought up Anamosa, Iowa which has J&P Cycles and a motorcycle museum so we'll put that one in the hopper. He's even volunteered to lead, so maybe we can put a couple over-nighters together for next riding season.

It was brought to my attention that I never published to winners of the mileage contest. Sorry about that. Here they are:

RETIRED WOMEN'S DIVISION

4 ENTRANTS

1st Place 3712 Miles Debra Lipke

2nd Place 3343 Miles Joyce Ronan

3rd Place 2472 Miles Shiela Lund

WOMEN'S DIVISION

3 ENTRANTS

1st Place 20542 Miles Laura Farnsworth

2nd Place 11179 Miles Lisa Radant

3rd Place 7025 Miles Cindy Lichner

RETIRED MEN'S DIVISION

13 ENTRANTS

1st Place 27283 Miles Jeff Wild

2nd Place 24821 Miles Phil Toms

3rd Place 13354 Miles John Lange

MEN'S DIVISION

14 ENTRANTS

1st Place 13159 Miles Luke Haas

2nd Place 12617 Miles David Starks

3rd Place 10214 Miles Vince Giannone

Remember, if you were in the contest last year, your final mileage has been recorded as the starting point for next year. If you weren't in, or added a new scooter to the stable and want to get in, just let me know. It costs nothing to enter and you're gonna be riding anyway, so what the hell. Both Laura and I have decided to remove ourselves from the contest to give others a chance at the prize, so come on in. I don't know what the prizes will be, that will be up to whoever takes this over.

I hope you're all able to get more riding in before Old Man Winter moves into the area (I'm jealous!). Ride safe and enjoy.

See you at the next meeting at Bobbleheads.

Membership---Shiela Lund-Wild

What beautiful riding weather we are having.....I hope many of you have been able to get out and enjoy the passion we all share!

WELCOME to our newest member, John Niles from Janesville, who joined us at our September 22 meeting. If you missed the meeting, be sure to introduce yourselfI'm pretty sure Matt can point him out for you!

Jeff Wild will be leading a FALL COLOR RIDE immediately following our October 20 meeting at Bobbleheads. He has a great scenic route planned for what may be our final chapter ride of the year..... We hope you can join us!

Photographer---Laura Farnsworth

Hey everyone! I just wanted to let you know that there are still photos available at the merchandise table during our meetings, and also that the website photos are current up to date, but not including the Door County ride. I'm just waiting on a few more photos, and then I'll take them to Gunny to update the website. Thank you all for sharing your photos with me from the few events I haven't been able to make, and also from the Tub run. There were some pretty good shots from different perspectives. Thank you again, and keep smiling!

Editor---Mary Jackson

There is a sign up sheet in the white book to volunteer to gift wrap at Kutter's Christmas Open House. Please sign up for 2 hour increments for 10 am until 2 pm.

Historian---Jeff Robbins

The history is trickling in but we need more especially from the past so we can rebuild it. Thanks to all of you that have given me what you have so far, its really appreciated! I'm looking forward to what is our future as well as what was in our past. Thanks again and ride safe!

Safety Officer----Dave MacDonald

It is October and that means we are into fall. The leaves are falling and when they get wet they can put you down in an instant. When you hit that turn and the lean is incredible and you see wet leaves be aware of the possibility. So bring the bike upright and steer through the turn is as straight as possible. When you are in a braking situation with wet leaves do not rely on the front breaks because on blacktop the front wheel will go out from under you quickly. Be aware and be safe.

MDA Tub Run Update----Dave Alwin

September already? Where'd the summer go? We have a lot of things happening. Please go to Kutter to the parts counter and pick up your February raffle tickets. We're hoping the Hawaii trip will spark a lot of interest to make it easier to sell the tickets. It would be very cool if we sold all 5,000 tickets. It's been a few years since we've done that. Remember, you get (5) Chapter points for every book you sell.

Did you go to the Jets opening weekend the 27th and the 28th? I'm writing this about a week and a half before the event, so I have no numbers for you. With what is planned for that weekend, it should be a home run right out of the park. This is new money for next's year's Tub Run. Very cool!!

Something else new this year was the mobile program. It went pretty good for the first year doing it. We learned some things to make next year's better than this year's. Remember back about 19 years? The Tub Run only netted around \$12,000 it's first year. Now look where we're at today. This could be a big winner for us with a little time. Again this is new money for next year's event. Again I say, "Very cool!!"

That's about it for this month. Keep selling those raffle tickets, and let us know if the new prize is making a difference in ticket sales. Stay focused on the reason we're doing this people. I'll keep you posted and write at ya all next month.
