### Welcome September New Members

Michael Cullen – Beloit

Bob Loofboro – Milton

Joseph Metz – Rockton, IL

Editor apology to Bruce Thurner – birthday was September 20 but was not listed on the calendar.

Thank you received:

Dear Friends, As usual, your generosity has touched our hearts. We are so very grateful for your continued support. Thank you never seems good enough, but that's all we can say. Gods Blessing to each and everyone who have to CAMDEN.

**NOTICE:** Newsletter copies will be available for pick up at Kutter (near the black book) after the first of the month. Please do not call Kutter.

Name, phone, e-mail, physical address changes and points earned for working need to be provided to Deb Duncan as soon as possible.

## **DIRECTOR'S CORNER**

We can definitely say that Fall is on the way with the cooler temps, the shorter days and the leaves beginning to turn colors. As we wind down the riding season, we have just a few riding opportunities left to crank on the miles before the white stuff starts to fall (better known as salt!!).

### **FALL COLOR RIDE / TOY DRIVE**

Your first opportunity is the Fall Color Ride / Toy Drive that is going to be held on October 8. What a great way to help out the Big Brothers / Big Sisters of Rock, Walworth and Jefferson Counties...!! They will have members present the day of the ride to answer any questions that you may have in regards to what they are all about and what they do for the community. Please feel free to approach -- the Director is also a Harley rider. They have been very receptive and appreciate to what we have done for them in the past. Let's see what we can do to top last year's mark...!!! Bring all of your friends...!!!!!!

### **MEETING**

The October meeting has been canceled due to other scheduling conflicts. If you were planning on this meeting to get any last minute points, you may be SOL -- why did you wait so long...??? But, just to let you know - there are still some small opportunities ahead if you still need the points.

### **OFFICERS**

WOW - what an awesome crew of officers that I have had to work with --What if every one of us decided to step down (highly unlikely, but probable)...???? Who would take charge to assume all of the positions of this great chapter? Something to ponder.....

I bet you could do one of these jobs? It is not that difficult and may take some time. If you think that it is too much for you alone, we could possibly do a number of people on a position, depending on the position. We could use a number of people to do activities -- make it a team effort. OK -- maybe now you have someone in mind...?? So, why not ask them if they would want to become an officer of this chapter? Where is the chapter to go without the help of you....??

We will be voting for all of the elected positions at the November meeting, so please let Gene or I know of your intentions by November 1. Please see last month's newsletter for all of the positions or give Gene or I a call. Hope to see a great turnout and a selective ballot from which to choose.

### **XMAS PARTY**

Mark your calendar -- December 10 is the South Central Christmas Party at the Best Western in Janesville. This is a closed event in which each member is entitled to bring a guest (significant other). Per the January newsletter, the cost for each person will be \$25 per person. But, if you have accumulated a minimum of 16 points of work hours throughout the year, your fee will be waived. Points cannot be shared between members or used towards admission of a guest. Please sign up in the Black Book so that we know how many to reserve for meals. If you are inquiring about your point status, this will also be included in the Black Book.

For those of you that would like a room, we have 12 of them blocked at \$74.95 per room (non pool side). The block is set up for both Friday and Saturday -- just state your boarding intentions upon reservation. You can reach them at 608-756-4511. The cutoff date is November 10. After that date, they will be given up to the general public.

Ride Safe (and warm) !!!!!!!!!!!

**Dennis Barth, Director**

## **ASSISTANT DIRECTOR----*Gene Schaetten***

Summer is trying to make one last stand with some hot temperatures but it look like the inevitable is coming----winter. It was nice to see a great crowd at the September meeting held at Kutter's. The nice part was the tent and tables were still up from the Hot Rods and Harley's. It was a hot day but there was a cool breeze under the tent.

As we wind down this years activities we must start looking towards next year and the people who will run this chapter. I know Dennis probably had something in his section but the word must get out to all members that we need your help to run this chapter. At this time we are in need of a Safety Officer and Activities Director. If you have any interest and have question please call either Dennis or myself to discuss. We cannot run this organization by ourselves and with close to 400 members we are asking for your help for the new year---think it over.

I am looking at having the Accident Scene Management class during the winter months. We currently have a sign-up sheet in the book --if you are interested please sign up. This class teaches the fundamentals of what to do when you come upon an accident. People who have taken this class say it is worth the time and money. If there is enough interest in this class we will look at the Advance Accident Scene Management class. If you think you will never use what you learn in this class I want to point out we had an accident after the August meeting.

I will be putting out sign up sheets for hotel rooms for the 2006 State Hog Rally in Green Bay, Wisconsin. The rally dates are June 23-25<sup>th</sup>. The 2007 rally will be August 17<sup>th</sup>-19<sup>th</sup> and we will be picking the site at our next state meeting on October 2, 2005.

Remember we still have some good riding weather ahead----make plans to participate.

## **Dealer News**

Nothing this month

## **Editor----*Deb Duncan***

I have finished traveling for work now, so the only valid e-mail address I have is listed on the front page – please adjust your records as needed. Since the October meeting has been cancelled, if you would like to check on your point status and do not have time to get out to Kutter HD, just send me an e-mail or give me a call.

Now is the time to think about being a chapter officer. It only takes a little time, you meet a lot more members, plus you will have some input into what we do as a chapter. If you have never thought about it, consider now – *it really is fun*. The chapter is what we make of it!

Just a reminder to sign the attendance sheet when you attend a meeting and check your points at the same time. If you are having any problems with e-mail delivery of your newsletter, please contact me and we will work to correct it.

\*Newsletter deadline for November is October 25<sup>th</sup>. Contact Deb Duncan at 608-754-3706 or 608-290-6265 or e-mail [duncs@ticon.net](mailto:duncs@ticon.net).

### **Road Captain----*Jes Schild***

I don't know how the rain has been where you're at, but here in Janesville, we finally got some. I'll have to mow the lawn now after a month of dry weather. Don't forget the Fall Color and Toy Ride on Oct. 8<sup>th</sup>, this is a mystery ride by Roger Dole, so it should be very interesting. Jeff Wild will have a ride on Oct 16<sup>th</sup>. See his article at the end of this newsletter. Moving ahead to Dec., Tom Fox has volunteered to set up the Polar Bear Run on the 4<sup>th</sup>.

If you have not heard, Marlin Rinehart had a major mishap. I wish him a speedy recovery. (see the message from Susan on page 5)

As always, Ride safe, Heads up - Rubber down.

### **Assistant Road Captain/New Member News----*Brent Ellis***

I hope to see you all out for the Fall Color Ride and Toy Run Mystery Ride October 8<sup>th</sup>. Figuring out the clues is great fun and the route is always very scenic. But if the mystery part worries anyone or if you just want to tune off me getting lost feel free to join me. I plan to meet at Kutter at 11am and leave shortly there after. Get out, bring a friend and support a good cause!

### **Ladies of Harley – *Pam Yardley***

September 10th was a very warm day, but we had plenty of people turned out for Hot Rods & Harley and LOH Breast Cancer Poker Run. Al Sampson, who is a member of our chapter, had T-shirts and flyers printed, mapped out the route, **and** donated the money for the poker run prizes. He worked very hard on the poker run, which was in memory of Karla Sampson, his wife. Thank you Al. Thanks to you, we raised \$2,109.00 for the Breast Cancer Association. The winners of the poker run were:

1st	Gary Garnett	Full House
2nd	Dan Doubleday	Flush
3rd	Craig Doyle	Three of a Kind

October 29 is the Halloween Party, 7pm at Milwaukee Grill. Dress up in your favorite Halloween costume. Hope we have a few more people that have some unique costumes. Come to the party and have a lot of fun. There will be appetizers provided and a cash bar. Hope to see you there.

### **Photographer----*Jaycie Doubleday***

Please pick up your chapter photo. I've left the remaining ones at Kutter with Sonny. You may pick them up from him on your next trip there.

I will be finishing my two-year term with the Christmas Party pictures. If you're interested in this position, please feel free to ask me any questions you may have about the job.

### **Membership Officer----*Shiela Lund-Wild***

Well another meeting has come and gone....hard to believe we only have one more meeting before we break into 2006. It was really nice to have use of the tent at Kutter HD for Sunday's meeting - sure did beat the blazing sun beating down on us....funny how much easier the sun is to take when we're cruising down the road on 2 wheels! I announced one new member at the meeting - Bob Loofboro from Milton, but two more signed up after the meeting. We would also like to welcome Michael Cullen from Beloit and Joseph Metz from Rockton - great to have you with us. Our total membership is now 390 - wow, it's no wonder we're able to accomplish so much good for the MDA as well as the community.

Keep the Shiny Side Up and Be Safe....

## **Merchandise Coordinators ----*Sandy Barth & Charlene Schaetten***

We would like to thank everyone who had purchased HOG merchandise at the September meeting. With the weather as warm as it was at our September meeting, it was no wonder the sweatshirts did not sell. That was OK though since we are not ready for it to turn colder....

If you were at the September meeting, samples of new women's shirts were shown. Votes were counted after several times and the two top choices were White/Black and Heather Grey/Navy. The supplier restricted us to some degree on the colors. So it looks like the top choices will be ordered. The small "ladies of harley" logo will be printed on the back at the top of the shirt. This way we have a little more variety.

If you definitely want any of the merchandise we have, please contact either Sandy or Charlene. We will be more than happy to make arrangements to get them to you.

## **HOG Ride Info, Etc.....**

### **Oct. 1 - Great Lakes Dragaway '05 Harley Shootout Union Grove Wisconsin**

The final round of the 2005 Harley Shootout will be held on October 1st 2005. This is to make up the round that was rained out Sept. 15th. I, Brent Ellis will lead a ride to the Grove leaving Kutter at 11:30am. Run your bike or watch, fun either way!

Here is their tentative timetable:

Gates Open 12noon - Timed runs 1:00pm - Eliminations 5:00pm - Final round 8:00pm

### **October 9<sup>th</sup> Turkey Testicle Festival Ride**

Once again Mike Blood and Linda Kuhnle are requesting you to accompany them on a ride to the 26th annual "Turkey Testicle Festival" in Byron, IL. It takes place on October 9th and features live music, bike rides, cold beer and of course turkey testicles. There is a \$5 charge per person and you must be 21 or older with a valid ID to enter. A sign up page is in the Black Book at Kutter. We will leave from Kutter at 9A.M. Hope to ride with a lot of you that day.

### **October 16<sup>th</sup> Ride with Jeff Wild**

We will meet at Kutter HD at 10:00 am - the ride will be 1 1/2 to 2 hours long until we stop for lunch - participants can either take a scenic route back with us or head straight back & be back in Janesville in about an hour.

### **Marlin Rinehart Update**

Marlin had an accident early on Friday morning, Sept 16th. He was returning from Chicago preparing for our trip to Tomahawk when he was hit in an intersection by a vehicle, which was making a left and didn't yield. Marlin went airborne and tumbled landing first on the hood and then the pavement. He was taken to Elgin trauma and later Med-lifted by Helicopter to St Anthony's in Rockford. He has since had surgery placing a plate in his pelvis, knee and a pin in his toe. We are expecting to move him to Mercy (4<sup>th</sup> floor) for rehabilitation sometime today (September 27, 2005).

We would like to thank everyone in our chapter for the lovely flowers, prayers and support, they were greatly appreciated.

Marlin & Susan Rinehart
