Directors Corner----David Miser

September was a crazy month. Hot weather, cold weather, and some darn good riding weather. The season is changing and pretty soon John Lange will be leading us on another color run. I hope you will be able to take advantage of the rides we are offering. You need to enjoy the time you have with your bike and the people you care about, for you never know about tomorrow.

Thanks go out to Shiela Lund and all of the members who helped out with the Friends of Noah fundraiser. It takes a lot of work to put on a program like that so give her a big thank you when you see her next.

Also, Lucy for the Kutter open house. It was a full day of riding, music, food and friendship. That is what our chapter is about. Enjoy it.

Next meeting is Sunday October 21st at Bobbleheads with a \$3.50 hangover breakfast and \$2 bloody Marys. Who could ask for more. See you all at the next meeting.

Assistant Director----Lisa Radant

Hey y'all. Hope everyone is still taking every opportunity to get out and ride while the weather is still good. I wanted to send a shout out to Dave Miser and Cindy Lichner for representing our chapter in Milwaukee during the Parade of Chapter flags. They said they had an excellent day and really enjoyed the free tour of the museum. Thanks guys!

Secretary----Deb Duncan

Hello everyone and Thank You for the kind words, thoughts and prayers with our loss of Jerad. We are happy that he was able to touch so many of us with a positive impact.

I don't want to even say the words...WHEN you are ready for W_NT_R Storage, just know that we have a nice safe place to store your baby. When you purchase \$495 in parts & accessories and Kutter installs these parts, you will receive FREE storage. That's a great time to get some performance work done as well!

SAVE THE DATE for our Fall MVP Party on Saturday, Oct. 20th! The Veterans United For Veterans Organization wishes to share that they were able to raise \$2500 for the local Veterans Organizations! They wanted me to extend their very heartfelt thanks for your support!!!! Have a great day and ride safe!

Activities Officers---Mike Blood / John Lange

I've got three rides to offer this month. For the "after meeting ride" on the 21st, I'll lead a ride from Bobbleheads to Lake Mills. This is a repeat of the ride we took on April Fools day. This is about a 75 mile round trip with a stop at Carp's Landing in Lake Mills for lunch. I think those that made the run in April will agree, it's a pretty ride and the food at Carp's Landing is really good.

Also, I've put the Kettle Morain ride back on the calendar. This is a 144 mile round trip with a "necessary" stop on the way up and another on the way back. Plus, we'll stop at Five Guys and Fries in Delafield for lunch. Depending on Mother Nature's mood, this may be a good "fall color" ride. We'll leave both days from Kutter at 11:00.

I also would like to thank those of you that have participated in the various rides we've had this year. I think they have been fun and everybody seemed to enjoy them. I often wonder when I leave home for the 40 mile ride to Kutter if anybody is going to show up. But the response has been rewarding on the majority of occasions. If anybody has an idea of different locations to ride to, let me know. I'm going to try to come up with some new ones for next year, but would welcome some suggestions from you guys. At this time, the October rides are the last I plan to lead for the season. However, like me, there are several of you who try to ride year-round. Who knows, maybe we'll get decent weather and a "wild hair across our navel" and decide to squeeze something in after October!

Also a reminder that the chapter mileage contest is going to end next May. So we won't be making presentations at the Christmas party as in the past. Keep cranking on those miles and remember, if you add a different bike to your stable, let me know so that we can get it registered in the contest.

MDA Tub Run Update----Dave Alwin

Autumn is here and the days are getting shorter with plenty of colors starting to pop out on the trees. This is getting into some of the prettiest riding of the year. Enjoy it and please be careful.

Getting close to finishing up on the tickets this year for the February bike raffle. We will have them ready to go before the next MVP Party in October. We would really appreciate any help you can give us selling the tickets this year. We are only going to have 5,000 tickets printed instead of 6,000 as in the past. When the tickets are at Kutter behind the Parts Department, we will send out an email advising you.

The Tub Run committee will start meeting in November to start on 2013's event. The ride will be going to Albany next year. Mark your calendars now, June 14th & 15th!!!

One more thing before I fly outta here. If you've been saving aluminum can tabs for the Ronald McDonald House, we need you to drop them off at Kutter before the end of October. The wood box is in the HOG corner by the Parts Department. We'll be taking in what we collected this past year, sometime in November. We should be close to 150 pounds this year!!! You folks ROCK!!!!!!!

Ride safe all.
