Parent/Guardian:

Federal and state laws require the following information be collected about the primary and home language of every student upon enrollment in the school district. Please complete a survey for each child you are enrolling in the school district.

What language did your child learn when he/she first began to talk?

What language does your child most frequently speak at home?

What language is spoken by you and your family most of the time at home?

If a language other than English is indicated for any of the above questions, the school district will test your child's English language proficiency to determine eligibility for initial and continuing placement in an English language development program. You will be notified about the results of this testing.
