

Remeo Academy

Respiratory 1 (Adult) Workshop

Aim: To enable the participant to deliver care in a care setting with the skills to provide support for an adult tracheostomy-ventilated client. The workshop aims to give confidence in the presented skills to the care worker.

Duration: 09.30 – 17.00 hrs.

Refreshments for coffee and tea breaks will be provided. Sandwiches can be pre-ordered for lunch, if required.

Method: Relaxed small group tutorials. Skills will be demonstrated on a mannequin. Each participant will have the opportunity to practise the skill and be coached individually on each skill presented.

Award: The workshop will award a Certificate of Attendance on completion of the day.
