

Ask the worker exercise

Below are 10 questions which students came up with to ask people in work. Use these questions or come up with your own and between now and next week ask 10 people these 10 questions.

QUESTION	SHORT ANSWER
Do you like your job?	
Does your boss like you?	
How much holiday do you get?	
How did you get into this job?	
Do you like the people you work with?	
What do you hate most about your job?	
What was the job before this one?	
What qualifications do you need for this job?	
Where could this job take you?	
Do you want to achieve more in your career?	

Don't worry about writing up all the answers the important thing is to get confident asking the questions.
