

"Choosing Kathy to be our realtor was the best decision ever! We recently downsized to a 2 bedroom condo and not only did she sell our home, she held an estate sale to get rid of all the "stuff" we longer needed. Downsizing may seem like a daunting task, but Kathy made it easy. She does it all, from selling your home, managing your move and getting rid of all the things you no longer want/need. We took the things we wanted to the new place and left everything behind and Kathy took care of it all. She has such a warm and friendly personality and was a pleasure to do business with. If you are looking to downsize and feel overwhelmed with all that needs to be done, I highly recommend you hire Kathy. She will guide you through the entire process and get the job done. A true professional and a lovely person!"
