I wish to thank you for all that you have done for me with the sale of my mothers' home. When my mother entered a nursing home I knew I was looking at a great amount of work to empty and clean her house in order to get it ready to be sold. I had no family or friends to help me with this. You told me not to worry and you took over and approached all my problems head on. You went above and beyond. To put it plainly, you became my friend and family. I am so glad I chose you as my agent. I can never thank you enough for all you have done. Thank you Kathy!
