

**Village Green
Amenity Memorial
Program**

About the Program

The Village Green Amenity Memorial Program was established for village residents and other members of the public to honor a person, special event or family name by memorializing an amenity in Village Green park. This booklet provides information about the program and the different amenities that are available.

Village Green is located at 215 E. Four Mile Rd., just blocks from Lake Michigan and the Wind Point Lighthouse. It was established as Wind Point's central neighborhood park in the mid-1960s. The park's original amenities included a child's play area, tennis courts, baseball diamond, basketball court and skating rink.

In 2015, the Village of Wind Point initiated a planning process for a complete update of The Village Green. The Village Board approved a final concept plan for the park renovations on February 11, 2016. The plan included an updated playground with modernized, age-specific playground areas; a continuous pathway around the perimeter of the park; a new park pavilion; reconfigured parking to eliminate extra driveways; new tennis court fencing and replacing one tennis court with two pickleball courts; and updated landscaping with new trees around the tennis courts.

Along with the improvements, a variety of high-quality benches, picnic tables and trash receptacles are selected for Village Green. The Village Board wished to give residents an opportunity to personalize the park by offering the chance for residents to have engraved name plates affixed to the new park furnishings. By memorializing a park bench, table or receptacle, a commemorative plaque will be placed on the amenity. It will be memorialized for the life of the amenity.

Commemorative Plaques

A customized commemorative plaque is permanently affixed to memorialized park amenities. The back page of this booklet contains an order form that can be used to select an amenity and provide the wording for the plaque.

All plaques are black zinc metal with a double coating of clear urethane for added protection. The plaques appear as pictured below with brushed gold raised lettering.

Park Benches

Park benches are available with and without backs. They are high-quality benches from Canaan Furnishings (Ontario, Canada) constructed with 100% recycled plastic wood and steel. Components are electrocoated with anti-corrosion treatment, and finished with powder coating electrostatically.

The cost of memorializing a bench with a back is \$950.00. Commemorative plaques are installed on the back of the bench facing forward. The cost for memorializing a backless bench is \$700.00. The plaque will be affixed to the seat of the bench.

**Bench with
back:
\$950.00**

**Backless
bench:
\$700.00**

Picnic Tables

Two styles of picnic tables are available: square and long. The square tables are from Canaan Furnishings and are constructed with 100% recycled plastic wood and cast iron. Iron components are electrocoated with anti-corrosion treatment, and finished with powder coating electrostatically. The cost of memorializing a square table is \$1,200.

The long picnic tables are from Belson Outdoors. They are six feet long and constructed with recycled plastic with black enamel frames. The cost of memorializing a long picnic table is \$1,000. Plaques are affixed to the middle of the table top.

**Square table:
\$1,200.00**

**Long table:
\$1,000.00**

Trash Receptacles

Help support a clean park by memorializing a trash or recycling receptacle! The cost of memorializing a receptacle is \$700.00. They are durable 49-gallon receptacles constructed with recycled plastic. Each receptacle has a cap to help keep out rainwater and a liner to hold a trash or recycling bag. Plaques are affixed to the top or side of the receptacle.

**Trash or
Recycling
Receptacle:
\$700.00**

Park Pavilion

The Village is accepting requests for naming rights for the new 20'x30' pavilion at Village Green! The pavilion was custom-designed and built by Glenville Timberwrights of Baraboo, Wisconsin using cedar from the western United States.

Individuals who are interested in memorializing or sponsoring the pavilion should contact the Wind Point Village Office at 262-639-3524 for more information
