Garbage collection is every Monday.

 = Recycling and yard waste collection is every other Monday. Yard waste is collected April - Nov.

 = Holidays (collection is delayed one day)

 = Branch collection is 2nd Tuesday, April-Nov.

Once per month you may schedule a bulk or electronics collection. Call Johns Disposal at (262) 473-4700 to schedule a pick up.

Yard Waste Collection Changes

Beginning in 2021 residents will no longer be required to purchase and attach yard waste stickers to compostable bags to be picked up. You may continue to use compostable bags, or you may use reusable garbage cans. The cans must be labeled "yard waste" and be less than 32-gallons. When full of yard waste, the container cannot weigh more than 50 lbs. Yard waste collection will be every other week, on the same collection day as recycling, from April to November.

Collectable materials will remain the same and include leaves, grass, garden waste, twigs, sticks and weeds. Soil will not be collected, so root balls from plants must be removed.

Garlic Mustard should not be included with yard waste as the seeds can survive composting. It needs to be placed in a bag, labeled and thrown into the garbage.

Compostable bags can still be used for yard waste pick up. No more than 30 bags may be put out.

Examples of reusable garbage cans that can be used for yard waste pick up. Cans should be labeled as "Yard Waste" and be no larger in size than 32 gal.

New Electronics Collection Option

As part of bulk-item collection, residents may schedule up to 2 electronic collections per year. Each scheduled electronics collection may include one electronic item and will constitute the entire bulk collection. TVs (tube, projection and flat screen), monitors (both CRT and flat screen), computer towers, keyboards, and other small home electronics can be collected.

To schedule a collection call Johns Disposal at 262-476-4700. Collections may be any weekday but must be scheduled at least 72 hours in advance.
