

FILL IN THE BLANK

This game is fast and fun!

Setting up the game:

1. Divide the group of students into two, a left side and a right side.
2. One student from each group stands up.
3. Begin a phrase from below.
4. The two students race to fill in the blank with any word that *fits grammatically*. Their responses can be normal or super silly.
5. They sit. The next two stand.
6. Continue to play until the allotted time runs out!

This game is meant to move quickly. You don't need to go through the entire list. Play according to the time you have. There are no points, no wins. Just fun.
