

## SIGHT WORD SENTENCES

### LIST 10

Just to recap:

1. Once a child has learned how to spell the sight words in [LIST 9](#), you can begin teaching him/her how to write and read these sentences.
2. **At this point, many children can work on 2-3 sentences per week. You can use one that is listed here, plus two that you create based on words your student misspells in his/her free writing.**
3. The child should know how to spell all of the SIGHT WORDS in the sentence before moving onto the next sentence. The underline words DO NOT need to be spelled correctly to move on.
4. The underlined words can be replaced with different words to teach vocabulary.
5. The word families are there to teach a specific spelling pattern.
