

## 4<sup>th</sup> Grade OVERVIEW

To go with the book titled:

### [What Your 4<sup>th</sup> Grader Needs to Know by E.D. Hirsch Jr.](#)

Print the following documents to go along with this overview: [SCHEDULE](#), [SENTENCES LIST 9](#), [WORDS LIST 9](#), [SENTENCES LIST 10](#), [WORDS LIST 10](#), [4<sup>th</sup> Grade WRITING WORKSHEETS](#), [4<sup>th</sup> Grade MATH WORKSHEETS](#)

READING: On Monday, read the pages noted TO your children for enjoyment.

PHONICS: On Monday, talk about the blended sounds and think of words that begin or end with that blend. Write the words that you think of on a piece of paper. Casually talk about the blend all week long as you come across other words with that same spelling pattern.

WRITING: Print and read, [An Easy and On-Going Spelling Strategy](#), Lists [9](#) and [10](#) are below.

MATH: These concepts may be new for your child or too easy. If they are too easy, supplement the activities with other math pages or workbooks.

HISTORY/SCIENCE: Enjoy reading these pages to your children. I alternate between History and Science throughout the year. Complete the suggested activities on each page. If you have time you can find documentaries on Youtube, Netflix or Amazon Prime. You can check out books from the library and/or complete crafts from [Pinterest](#) to support the concepts your child is learning about.

HIGHLIGHT each section that you complete. Your child may move faster or slower in any one area. Highlighting completed sections helps you keep track of what they have finished and what they still need to do.

Week	Reading	Phonics	WRITING: <a href="#">Sentences List 9</a>	Math	History/Science
1	Poetry 6-11	_ack	"Remember to bring your backpack," he <u>said</u> .	Numbers 277-280	Body 360-367
